

# One Of Two Largest Furnaces In U.S. Here

600-Ton Open Hearth Furnace Now In Use At G. Steel Plant

(Picture on Page 18)

Granite City Steel Co. has put into operation an enlarged open hearth furnace that is one of the two largest steelmaking furnaces in the United States, with a capacity of 600 tons per batch or "heat" of steel.

Nicholas P. Yeeder, chairman of the board and president of Granite City Steel, said today that the enlargement of this furnace and other additions to the company's steelmaking facilities "strengthen our ability to attract new steel-using manufacturers to St. Louis and other parts of our Midwest, South and Southwest market area." The only other steel making furnace with a 600-ton capacity is at a steel plant in West Virginia.

Six hundred tons of steel, poured into ingots to solidify and then put through a series of powerful rolling mills, will yield about 450 tons of flat rolled plates and sheets — enough steel to make 2400 average-size automobiles, or 3000 freezers, or 3900 refrigerators, or 600 small tractors.

**15 Cans Of Scrap Per Heat**

It requires about 700 tons of raw materials, including molten pig iron, lime, and as many as 15 railroad carloads of scrap steel, to produce one "heat" of approximately 600 tons of steel. The plate-shaped bottom of the huge furnace holds a "bath" of molten metal that is three feet, nine inches deep inside a hearth that is 66 feet long and 20 feet, nine inches wide.

Impurities in the scrap and pig iron combine with the lime to form a slag which floats on top of the bath and is drawn off from time to time during the refining process. This slag, at the 3000-degree F., heat from the flames that sweep over the hearth to better penetrate the bath of molten metal. The furnace is fired with a mixture of fuel oil and natural gas.

The refining process is accelerated by lowering three "lances" from the furnace roof and jetting oxygen through these water-cooled tubes just above the molten bath to speed up the removal of excess carbon. The roof of this furnace is constructed of base brick, a steel jacket and steel plate imbedded in each brick helps the roof withstand the unusually high temperatures that occur when oxygen is being used.

**Double Ladles**

The steel tapped from this furnace pours through a Y-shaped "runner" into two ladles. The molten steel into two large brick-lined ladles instead of the usual one. As soon as all the steel has poured from the furnace, two overhead cranes pick up the ladles and carry each a row of waiting ingot molds which are filled with steel one after another.

Before it was enlarged, this open hearth furnace had a per-hour capacity of 300 tons. Two of Granite City Steel's six other open hearth furnaces have been re-built and enlarged to twice the size they are among the largest in the steel industry. One can produce 400 tons of steel per heat, and the other 500 tons.

# Kisner Resigns Magistrate Post; Election Planned

Newly-elected Police Magistrate Louis Kisner Tuesday resigned from the post to which he was named in the April 18 city election, on "advice of medical authorities for reasons of health."

In a letter of resignation to the city council Tuesday night, Kisner, who served as Nameknot Justice of the Peace in the Madison magistracy prior to the election, expressed thanks for kindness extended him and wished city officials continued success.

The council passed a resolution "reluctantly accepting the resignation," as worded by Third Ward Alderman Ray Kozielek, who initiated the motion.

Following the action, Fifth Ward Alderman John Haynes moved that the office be declared vacant, the council concurring. Kisner had not taken the oath when newly-elected Justice Stephen Maers in commenting on the resignation said that Kisner had served well in his previous post and wished him speedy recovery.

**No Date For Election**

Maers said the vacancy would be filled by a special election. He said steps are to be taken by the city's legal department. No date was set. Kisner became ill shortly before the election, the officials said.

He had served informally in the magistracy post after John Gitchoff did not resign, but his county position made some cases coming before him incompatible. Also, his duties with the state's attorney's office and his law practice left little time to handle magistracy business.

Because of this, Kisner was asked to assist and agreed to do so. He had qualified to conduct hearings as a Nameknot Justice of the Peace, and he said that is both in Nameknot and in Granite City.

# Fewer But More Severe Traffic Accidents In GC

Granite City police are hopeful of a decline in the number of traffic accidents in March and continued through April will continue. For the first four months of the year, the city's accident total is 356, which is down from the 358 recorded during the same period in 1960.

However, the severity of accidents is still a concern. In March and April, there were 75 accidents with 28 injuries and two deaths. In April, there were 83 accidents with 42 injuries and no deaths. Police had predicted 88 accidents last month.

April's accident statistics, which are showing a decline in number of mishaps and injuries, show that the two months of the year there were 75 accidents with 28 injuries and two deaths. In April, there were 83 accidents with 42 injuries and no deaths. Police had predicted 88 accidents last month.

# C. of C. To Compile Industrial Development Brochure

First step for preparation of a brochure to be designed to acquaint industrial prospects with the Quad-City community was taken Monday afternoon by the Data Subcommittee of the Tri-Cities Chamber of Commerce Industrial Development Committee.

The subcommittee entered into a contract with Dr. Mary McGee, assistant professor in social studies at Southern Illinois University's Southern Campus, to compile information for the brochure.

Miss McGee recently prepared an article on the American Bottoms area of Madison and St. Clair counties in which she stressed the Quad-Cities area "offers a vast potential for new business and new jobs."

**3 Months To Do Job**

Under the contract, she is to submit all data to the C. of C. office within three months, and the local office staff is to handle the information and prepare the brochure.

The comprehensive community-industrial development survey is to contain facts for an industrial prospectus and is to be the most complete of its kind ever to be compiled for the community. The brochure is expected to be an essential tool for the future development of the area. It is to include such information as the location, population, climate and topography of the Quad-Cities and surrounding area.

# Horseshoe Lake Bill Introduced In House

Full \$3,500,000 Sought To Develop As State Park, Wildlife Refuge

Now pending in the state legislature is a bill introduced in the House on Tuesday seeking an appropriation of \$3,500,340 for complete development of the Horseshoe Lake area as a state park and wildlife preserve for Madison and St. Clair counties.

H. D. Karandjef, local banker and chairman of the Citizens Horseshoe Lake Study Commission, said today the commissioners are seeking an appointment with Gov. Otto Kerner to discuss his support of the development. "We hope to arrange the conference for next week," Karandjef said.

The bill was introduced by Reps. Lloyd "Curly" Harris (D, Granite City), Ralph T. Smith (R, Alton) and Paul Simon (D, Troy). Rep. Harris said the bill is before the appropriations committee and he hopes to bring it to the floor for passage.

**Area-Wide Support Sought**

Karandjef said the commission plans to enlist the support of individuals, civic and business leaders and various other organizations. The two-county area, and current plans call for the circulation of petitions among sportsmen's club members for presentation to the governor.

The commission chairman stressed that any delay might result in a far greater cost for the project, as lands become more valuable in this fast growing area.

"There's no other area in the state with population equal to that of Madison and St. Clair counties that does not have such facilities available," Karandjef said.

**Outline Of Development**

Under the original proposal, the \$3,500,340 is needed for the complete development of the proposed 773-acre state park, including the 1952-acre lake with a shoreline of 124 miles.

The acreage also would include the 386-acre island in the lake, 1219 acres of shore land, 216 acres of possible corridor land and 4000 acres of marshy tributary land, all with 773 acres to be acquired at the estimated cost of \$1,392,750.

To rehabilitate the lake to provide adequate recreation, fishing and boating facilities, the state department of conservation has recommended it be dredged to an average depth of approximately 75% of the lake area.

This would require dredging of 32 feet over an area of 1000 acres on May 15 at the Kirkpatrick Homes office.

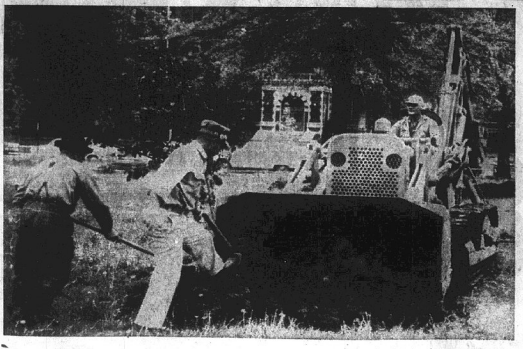

Bids for a year's supply of progressive and modern repairs to 14 Kirkpatrick Homes buildings for the local public and recreational use were accepted, tentatively, subject to approval by the Chicago PWA office.

# Clemency For Hodge Denied By Gov. Kerner

Action Today Includes Suggestion Of New Try After Reasonable Time

(Special From Springfield)

Gov. Otto Kerner today denied the clemency petition of Orville E. Hodge, Granite City, former state auditor imprisoned since August 1956 for embezzlement.

"I have refused Mr. Hodge's petition for executive clemency, but I have suggested that he may apply again," Gov. Kerner said. "He can do this anytime. I have a new board, and I would like to have their views."

Kerner's announcement was made at the close of his regular Thursday press conference this morning. Yesterday, he named three Democrats to serve with two holdover Republican members of the Illinois Pardon and Pardon Board, which serves in an advisory capacity. Only the governor has the constitutional power to pardon or commute sentences.

The governor reported that the outgoing board unanimously recommended denial of the petition. At the close of its hearing Jan. 10, the board had said it would recommend pardon, denial or commutation. Hodge had sought pardon or reduction of the sentence to permit application for parole.

# Brief Ceremony For Seating New Granite City Aldermen

(Picture on Page 17)

Granite City council members began the new fiscal year Monday night with an informal ceremony for seating of new aldermen, the mayor and clerk.

The brief ceremony was presided over by routine business of approving bills from the 1960-61 fiscal year, and special recognition was given Eighth Ward Alderman Emerald Davies, the only one of three outgoing council members present.

Davies commented that he will always remember his four years as an alderman. "The good times and the good battles," he introduced his successor, Ford Johnson, who was named by the city council.

Johnson remarked it was an honor and privilege to be able to serve the city and Eighth Ward.

In the absence of retiring Second Ward Alderman Robert Gaughan, the holdover alderman, Samuel Whitmer introduced new alderman Edmund Bartoski, while First Ward Alderman Estill Von Schmitt, introduced the newly-elected Joseph Conner.

**Welcomed By Mayor**

As the new aldermen took their seats at the council table, Mayor Davis welcomed them and there was a round of applause from the council members and persons in the audience.

Re-elected aldermen were reintroduced by their companion aldermen. Rufus LeMaster of the Third Ward welcomed Arthur Wier; Donald Farney of the Fourth Ward welcomed Paul Rutledge; and Walter Norn of the Fifth Ward welcomed "It's good to have Steve (Bartoski) back. I know I can depend on him."

For the Sixth Ward, Samuel Shackelford re-welcomed Casmer Skubish to the aldermanic board; and Seventh Ward Alderman Charles Meyer, in reintroducing Alderman Mrs. Gabrielle Bettine, commented that he was the only alderman on the board to have an alderwoman.

Mrs. Bettine was then presented with a corsage, a spray of flowers and a bouquet from the Quad-City Business and Professional Women's Club and her constituents.

In a brief acceptance talk, she said her thoughts turned to her father on such an occasion and she knew he would be proud. She thanked the B&PW club.

# \$5,000,000 Tank Hull Order For Gen'l. Steel Plant

General Steel Industries, Inc., formerly known as General Steel Castings Corp., yesterday learned it has been awarded a contract in the amount of more than \$5,000,000 to furnish cast armor hulls and turret to Chrysler Corp. for the Army's M-40 medium tanks.

Announcement of the contract award was made by Charles P. Whitehead, president, who said the hulls and turrets are to be produced at the firm's local plant.

Shipments under the new contract are to begin in August and will continue for one year. The provision will enable the plant to maintain its present operation and pick up where a previous tank hull order leaves off.

Departments within the plant now are working four or five days a week and no increase in employment is anticipated.

# Mayor Says City's Share of Airport Study Cost—\$617

Financial assistance from the city for a study to determine the feasibility of constructing a major airport in the Illinois Metropolis area was proposed during Monday night's Granite City council session by Mayor Davis. The mayor, who is president of the Southwestern Conference of Mayors, said the city's share of the survey expenses would be \$617, and a resolution would be submitted at the next council session for approval of the expenditure.

**Based On Population**

Outlining the program further, Mayor Davis said the city of East St. Louis will contribute about \$1500 as its share and other communities in Madison County also will make contributions to the fund, all prorated on the basis of population.

"If the report should be favorable, we must acquire adequate land before it is all gobbled up. We've already conferred with the various Chambers of Commerce, the boards of supervisors in the two counties."

At its last meeting, the Madison county board of supervisors said they believed such an airport would not be feasible.

"We won't argue, but we want to give the people a chance to decide on this proposed development."

The mayor pointed out that the opinion of the Madison county board resulted from one or two men "who are not experts in the field."

**Seek Experts' Opinions**

"What we need is the opinion of experts, and through this cooperative fund we can hire these experts. If they say such an airport is not feasible, then the matter will be dropped. I think we should proceed and let experts decide."

# Suspects Arrested For Holdup, Burglaries

Venice Station Robbed, Owner Struck; Venice, Madison Charges Filed

Venice police filed an armed robbery charge Tuesday against a man alleged to have been in a trio robbing Hugh Hairston's service station and striking the owner Monday night.

Another man, suspected of two weekend robberies at the Venice Liquor Store, a gasoline service station holdup south of Madison and several house burglaries, is being questioned by Venice and Madison police.

Madison police charged Wednesday against three men linked with theft of \$125 from the Venice Station Exchange Furniture store, 211 Madison avenue, April 28.

Named in an armed robbery charge at 4:25 p.m. Tuesday was Namon Johnson, 30, East St. Louis. It is charged that he helped rob Hairston of over \$80 at 5:40 p.m. Monday at his station, 501 Main street.

Johnson waived a preliminary hearing and was bound over to the county grand jury Tuesday evening by Venice Police Magistrate Wesley Edwards. He was released the same night on \$500 property bond.

**Loose Cash Register**

Hairston related that two men entered the station, one guarding him with a pistol and taking his wallet containing over \$50 while the other removed \$40 from the cash register.

"The armed man forced Hairston toward the back of the station and instructed him to lie down on the floor. 'He hit me with his pistol, to stun me so I couldn't call for help. He warned me to keep my mouth down, and then he latched the door as they left,' Hairston told the Press-Record.

Hairston received 16 stitches to close the head cuts at St. Elizabeth Hospital.

Evidence in the case is being compiled by the Venice department which is continuing its investigation.

**Charge In Gun Theft**

Venice police also reported that a burglary and larceny charge against Nathaniel George, 19, St. Louis, for allegedly breaking into the home of Ed Montgomery, 77 Weaver street, April 20 and taking a long-barreled .38-caliber revolver.

Pleading innocent Tuesday night before Magistrate Edwards, George is still being held in jail for failing to post \$5000 property bond. A hearing has been set for May 5.

# 2nd Session of Nurses' Education Class Tonight

Lecture and psycho-drama will be featured at this evening's session of a "continuing education program for nurses" being conducted at St. Elizabeth Hospital for all nurses of the community.

The second in a series of sessions will begin at 7 p.m. and will be conducted by Brock Schumacher, vocational rehabilitation director, and Mrs. Joan Higgins, remanent nursing coordinator at the Missouri State Sanatorium.

They will, through lecture and psycho-drama, strive to give nurses insight into personalities—insight that will help them put themselves "in the other person's shoes."

At the next meeting on May 18, Schumacher and Mrs. Higgins will apply the materials given tonight to specific nursing situations.

The first session in April was attended by 67 local nurses.

# Undergo Surgery

### Walker New Manager Of Meyer Hurwitz Store

Leon Hurwitz, president of Meyer Hurwitz Jewelry Co., today announced that Russell Walker has been named manager of the firm's store at 1237 Nine-

teenth street here. Walker first started with the firm in 1936. He served as assistant to the late Mark Robbins since 1947, after being released from the Air Force as a master sergeant upon the conclusion of world war II. He received a special citation from Gen. John K. Cannon for services performed as a line chief at the U. S. Air Force headquarters flight section in Europe.

In 1951, Walker was recalled to duty and served 17 months in the Korean war as a wing maintenance inspector of B-36 bombers with the Strategic Air Command at Spokane, Wash.

Locally, he has served on the board of trustees with the Retail Clerks Local 435 for the past five years. He is a past commander of Amvets Post 51 and currently is membership chairman, a post he has held for three years. He holds the Amvets Fifth District post of finance officer.

Walker also is a member of Masonic Triple Lodge 839 and is a lifelong resident of Granite City. He and his wife, Marie, reside at 2910 Namoli road.

Meyer Hurwitz Co. also has stores in East St. Louis, Belleville and Alton.

### Terms of Teamsters-AGC Agreement Pending

Details of a tentative agreement reached by negotiators for the Illinois Joint Council of the Teamsters Union and the Associated General Contractors of Illinois are to be disclosed during a meeting Tuesday night in Alton of Local 525, it was learned today from William Doty, business agent.

The proposal is to be presented to top officers of 16 local unions representing 5000 members in 85 southern Illinois counties during a meeting tomorrow in Springfield, and the officers are to outline the details to members at meetings of the locals.

Doty said the agreement, which includes a wage increase and a "satisfactory hiring hall arrangement" will involve about 600 members of Local 525, including 200 to 300 members in the Quad-Cities area.

The tentative agreement was reached over the weekend during sessions in Springfield with the assistance of the federal mediation service. The previous two-year contract expired April 1.

The AGC has 132 members in downstate Illinois.

### Plans Advance For GC Park July 4th Fete

Local clubs and organizations planning to operate concessions at the Granite City park district's five-day Fourth of July celebration at Wilson Park have until May 20 to notify Recreation Director Harold Brown.

Brown, whose office is located at the park, said preference will be given to those groups who can stand at last year's first celebration.

Plans are underway to enlarge the midway area at 29th street, and Brown said the July 4 fireworks display is expected to be "bigger and better" than last year when over 12,000 persons watched the display.

"There'll be eight carnival rides instead of seven, and we plan a softball tournament as well as special entertainment on July 1 and 2."

old township and the city of Madison. Most of Madison is in Venice township.

Kismer remained active until this spring, when illness and trips necessitated last-minute rescheduling of some Madison hearings.

Glitchoff and Venice township Justice of the Peace William Boerckel were among those assisting with hearings during April. City officials said his ill health was learned of after the close of filing for the city election. He and all other administration-backed candidates were dropped on the ballot.

**Starred Position**  
Township justices of the peace were eliminated with the new election, when the former fee basis was replaced by a salaried office serving the entire Quad-Cities. City magistrate positions also were converted from fees to salaries effective this month, with the Madison office set at \$360.

Harry E. Hartman is Quad-City — Madison county District One — justice of the peace. Andrew Gasparovic Jr. is Granite City police magistrate and Wesley Edwards is Venice police magistrate.

In other action, the council granted permission to the Auxiliary of Veterans of Foreign Wars Post 1300 to conduct Poppy Day sales in Madison on May 26 and May 27.

The council also approved a request from Venice — Madison American Legion Post 307 to conduct a Memorial Day parade beginning at 4 p.m. Sunday, May 28. The parade route is to be along Madison avenue in Madison.

### Petition On Old Cars

The council acted on a petition from five residents seeking to prevent the Hiava Auto Repair shop from using a vacant lot in the 1500 block of Market street to store junked vehicles. A motion was accepted to refer the matter to Police Chief Barney Fraundorf, asking him to advise the owner of an ordinance which requires permission

## Approval Given To Form Area River Bluffs Scout Council

Near unanimous approval was given to formation of the proposed five-county River Bluffs Girl Scout Council at a meeting yesterday of representatives at Edwardsville.

Only dissenting group was East St. Louis, which decided to appeal the original recommendations to withdraw from the jurisdiction set down in a work plan.

Formal application was made to the National Girl Scout council, and a June meeting is being scheduled for organization of the new council.

First steps will be to determine operational procedures, and to nominate a board of directors that will elect officers. A group of 20 leaders is expected to be needed to staff the board.

**Mrs. Eubanks On Board**  
Mrs. George Eubanks, member of the Tri-Cities Girl Scout Council and a member of the board of directors, was named nominating chairman.

The proposed council, according to Mrs. Eubanks, is not expected to change boundaries of the present Tri-Cities Council which will become a district of its own. All other councils, she said, would be altered.

During the meeting, representatives of smaller communities which have no local financial support from Unit Fund groups or service clubs pledged they would pay their share in the program.

The Edwardsville session followed local meetings of participating groups, with all but the East St. Louis council adopting the recommendations.

**National Program**  
The expansion plan is part of the national program, entitled "Under the Green Umbrella," with a theme stressing the area formations. The new council is to be organized by Jan. 1, 1962.

Counties to be included are Madison, Jersey, Monroe, St. Clair, and a portion of Macoupin county.

Plans call for the council territory to be divided into districts and subdivided into neighborhoods. All five local neighborhoods would be included.

### MORE ABOUT

## Horseshoe Lake Bill

(Continued from Page 1)

acres or 5,180,000 cubic yards at an estimated cost of \$1,509,600.

**Recreational Plans**  
The \$312,000 being sought for recreational use development includes \$190,000 for 30 miles of roads on the island and around the lake; \$40,000 for 20 parking areas; \$38,000 for wells, water treatment plant and extension of municipal water line; \$10,000 for sanitation, including four main toilet buildings, a sewage system and 18 single structures.

Two concrete boat docks and a boat house concession would be erected at a cost of \$30,000, while six picnic areas with stoves, tables, fountains and signs would be provided at a cost of \$12,000.

The Horseshoe Lake Study commission also is recommending \$50,000 be spent for planting shade trees at various locations, and that another \$50,000 be set aside for the custodian and service area, including a house, barn and other necessary buildings.

The commission in the report it submitted to the state pointed out Horseshoe Lake is "ideally located to serve residents of Madison and St. Clair counties with an estimated population of a half million by 1970."

The lake itself is one of the largest in the American West and is well served by major highways, including State Routes 111, 162 and 35 and U.S. Highways 40, 68 and 67, which are only short distances away.

**Harry Mitchell Sr., 59, Steelworker Succumbs**  
Harry L. Mitchell sr., 59, of 2413 East 25th street, died at 11:10 p.m. yesterday at St. Elizabeth Hospital, where he was a patient for five weeks. He entered the hospital after contracting pneumonia.

Born in Fort Scott, Kan., he was a Granite City resident for 38 years and was employed for a similar period at Granite City Steel Co., where he worked as a supervisor in the cold strip mill department. He was a member of the First Baptist Church.

Surviving are his wife, Vivian, a son, Harry L. Mitchell jr., a patrolman of the Granite City police department; a brother, Chester Mitchell, Oklahoma City, Okla.; two sisters, Mrs. Thelma Evans and Mrs. Muriel Ratliff, both of Oklahoma City; and two grandchildren.

Funeral arrangements are given in the obituary column.

### Reliable Loan Co. Names New Manager

Gary C. Stewart has been named vice-president and general manager of Reliable Loan Co. here, succeeding Harvey Miller who held the position for the past four years.

Stewart, who with his wife and six children, three to years old, began his career in the consumer finance field in 1949 in Granite City. He and his family plan to move here in the near future.

Stewart, a member of the Episcopal Lutheran Church, St. Louis, has served in executive capacities during his career. He is anticipating joining local civic organizations.

His predecessor, Miller, is planning a business venture here.

### Top Madison High Students Honored By Rotary Club

Key role to be played by education in the future of American civilization and the world was stressed by Dr. Frank L. Eversull at yesterday's luncheon meeting of the Madison Rotary club, which was host to 28 members of Madison high school's National Honor Society.

Lecturer at Southern Illinois University's East St. Louis center, Dr. Eversull said the developing "segregation" in the world will be between uneducated peoples and nations. He stressed the knowledge and technological skill to lead.

In charge of setting up universities in Korea at the close of world war II, the speaker compared education here and abroad, saying most foreign students are interested not just in obtaining passing grades, but in mastering the subjects they study. He cited intense competition for college entrance, with only the most qualified accepted.

In an increasingly complex world, the United States must keep pace with other countries in its concentration on educational quality and quantity. It hopes to maintain peace and the present way of life, Dr. Eversull asserted.

He was introduced by John Patchette, Madison high school principal, who also introduced the Honor Society members and their faculty sponsor, James Loy. Brief talks were given by Alex Markuly, program chairman, and William Winter, president.

Those present included Madison School Supt. Wessel Brown, a member of the club; John Bell, Madison school board president, and a former Rotarian; Wilbur R. L. Trinne, Madison county school superintendent; and Orla Kessler of the state superintendent's staff.

Dr. Eversull, former university president and former East St. Louis high school principal, recalled signing the high school diploma of John Sedlack, member and past president of the Madison Rotary club.

Students honored were: seniors, Cecilia Markuly, president, Andrew Purdes, vice-president, Phyllis Lapinski, secretary, and Betty Champion, Jeanette Dorlin, Sylvia Evangelou, Sharon Nicholas, Elaine Shipoff, Mary Ann Stalkoff, Yvonne Weigel, Dorothy Martin, Charles Snowden, Thelma Herschbach, Michael Harris, Judy Holland and Marshall Skinner.

Juniors, Kathy Smith, treasurer, and Kathy Bogelie, Sandra Consiglio, Jo Ann Maykoepel, Connie Cadwell, Sheila Nicholas, Joann Williams, Faith Nialinski and Roy Platt.

Sophomores, Penny Maeras, Joyce Farley and Bill Smock.

Patchette called attention to Miss Markuly's record of attaining all "A" grades during her attendance at the high school. He said selection for the honor society is based on leadership, character and scholastic achievement.

### State Highway Dept. Buys Tract At 66-111

Purchase of 84 acres of land by the state highway department for new Federal Aid Interstate Route 270 between Mitchell and State Route 197 was recorded this week in Edwardsville.

The tract is to be used to widen the intersection of Route 111 and U.S. Bypass 66-40 as well as for the new highway.

County records show the acreage was bought from Alton Banking and Trust Co. at a cost of about \$65,000. The property was part of a farm held in trust by the bank.

### Annual Membership Drive By C. of C. On June 13-14

Initial plans for an all-out membership drive were outlined for 29 directors of the Tri-Cities Chamber of Commerce during a regular board meeting held Tuesday evening at the Rose Bowl restaurant.

Ralph Morris II, chairman of the Keystone Club, said a two-day campaign will be conducted June 13-14. Names of "insiders" for the drive will be announced within a few days.

Morris, a member of the Morris Realty Co., and Nicholas Brink, plant manager at A. O. Smith Corp., were welcomed by President Paul Lichtenberger as new members of the board of directors.

Rosenthal Shoe shop was enrolled as a new C. of C. member with Dan L. Hochstetler as representative. The membership was acquired by Chris Pasbosh.

**Horseshoe Lake Park**

President Lichtenberger called for committee reports, and H. D. Karandjeff, chairman of the Horseshoe Lake Park committee, said a bill was introduced in the House at Springfield this week by local representatives Lloyd "Curly" Harris, Ralph T. Smith and Paul Simon to seek a \$3,500,000 appropriation for development of the lake area as a state park and game preserve.

Karandjeff's suggestion to ask other Chambers of Commerce in the area to support the bill was accepted and letters are to be written. He added that members of the citizens' commission for the park development are to visit Gov. Otto Kerners next week to enlist his aid.

G. H. Sternberg, chairman of the Congressional Action committee, told board members the committee is opposing various bills pertaining to federal aid to education. He explained that in order to obtain \$1 federal funds locally it is necessary to send \$1.80 to Washington. He added that federal controls on local schools probably would be included in any measure providing financial assistance.

The committee, which met earlier Tuesday, also expressed its opposition to proposed federal regulations on railroads, pointing out that any creation of adverse conditions on railroads in competition with trucks and water transportation, would prove a detriment to local industries.

**Drainage Report**

G. W. Hoelscher, chairman of the C. of C. drainage and sewerage committee as well as the citizens' master drainage committee for the city, said a meeting of the citizen group is being scheduled for May 25, at which time it is expected an engineering survey report is to be completed.

Hoelscher, who also is chairman of the C. of C. State Legislature committee, told board members his group is studying the proposed increase in state sales tax and broadening of the use tax, as well as changes in the laws pertaining to employment practices and sickness insurance.

He reported that the Southern Illinois University engineering degree bill has been approved in the legislature and signed by Gov. Kerners. The measure was supported by the local C. of C. Carl Lomax reported the membership relations committee members are making personal contacts with each C. of C. member and will complete the visits in two months.

**Program Chairman B. E. Hoeltz** added Vernon Licht as truck wagon chairman for the C. of C. annual "play day" next month.

### City Auto Sticker Sale In GC Totals 2200

Sale of 33 city auto license stickers in Granite City numbered 2200 this morning. It was learned from City Clerk A. L. Stevens in whose office on the second floor of the city hall the licenses are being sold.

The new 1961-62 license came due last Monday, the start of the city's new fiscal year. Auto owners usually are given three to four weeks in which to purchase the stickers before a police drive is started. A date for this year's drive has not yet been set.

During the 1960-61 fiscal year, the city sold 11,505 city auto licenses.

**Child, Infant Suffer Head Cuts In Accidents**

Alfred White, five-year-old son of Mr. and Mrs. M. J. White, 4137 Pontoon road, suffered a deep cut to his scalp when he fell at home Tuesday. Seven stitches were required to close the wound and he was released from St. Elizabeth Hospital after treatment at 8:30 p.m.

George Abel, 14-month-old son of Mr. and Mrs. George Abel Jr., 3022 Washington avenue, sustained a small cut to his head when he fell Tuesday. Five stitches closed the wound.

### Mental Health Group Election Here Tonight

Officers for the 1961-62 year will be elected by the Madison County Mental Health Society at its annual dinner meeting tonight at the Elks lodge in Granite City.

Reservations have been closed for the dinner, with 40 expected to attend. However, the business meeting and program starting at 7:30 this evening will be open to the public, with no advance notice necessary.

Guest speaker will be Dr. Robert Lam, St. Louis psychiatrist. Business besides the election of officers and board members will include reports on the past year and an education committee report to be submitted by Mrs. Jo Crouch.

The society was instrumental in establishing the two county mental health clinics, located in Granite City and Alton. Rev. Reuben J. Dierwald of Alton, president, will preside at tonight's meeting.

**Program Chairman B. E. Hoeltz** added Vernon Licht as truck wagon chairman for the C. of C. annual "play day" next month.

### Mayor Says

(Continued From Page 1)

Bettine, said they favored such a proposal.

In a report last week to the Madison county board of supervisors, the county's airport committee stated an opinion that the cost of such a project would be too heavy a burden for the taxpayers of the two counties. The committee members pointed out they were making a report and not a recommendation.

**Cloverview Association**

At another business Monday night, council members unanimously approved the annexation and plan for the eighth addition to Cloverview subdivision. The addition, with 27 lots, is located along the south side of Pontoon road opposite the present development.

Received and referred to Controller John Doehrer for a report at a subsequent council session was an audit of township funds submitted by Leonard Gram, former supervisor.

A report was given by Alderman Bettine, who attended an anti-communist school in St. Louis last week. She urged that a one-day session be arranged for Granite City, pointing out the need for all Americans to be alert to the inroads being made by communists.

Her recommendation was supported by Mayor Davis, who said he had planned to attend but was unable because of other business. He agreed that the need for such a school exists in this area.

"If we can get such a school here, then all of us should attend. We need to know just what the communists are doing in their effort to take over our country. Personally, I like our way of life, and I'd like to keep it."

### Locks Tonnage Jumps Above Two-Million Mark In April

Freight shipped through Chain of Rocks Canal Locks 27 during April jumped above the two-million mark to raise the four-month 1961 total more than 200,000 tons above the 1960 figure, a report from the St. Louis office of the Corps of Engineers showed today.

The 2,199,339 figures, which topped the April 1960 mark by more than 500,000 tons, put the four-month amount to 6,642,733. The 1960 aggregate was 6,433,369.

The April amount marked the first time in five months that tonnage reached the two-million total. The March count was 1,983,848. Peak figure for 1960 was in August when 2,350,025 was transported through the locks.

Carrying the freight were 3294 commercial and government vessels, and 666 lockages were required. Vessel and lockage figures were at year highs and went well above April 1960 tonnage of 2313 vessels and 512 lockages.

The March vessel count was 2021 and lockages amounted to 613. The four-month comparison shows 10,464 craft were used in 1961 while in 1960 a total of 9283 was recorded.

Of the total freight listed for April, 2,198,739 was of commercial nature, 690 tons, government, traffic in tons upstream amounted to 1,275,911 and downstream, 922,828.

A breakdown of commercial tonnage figures by product for the month follows:

Petroleum products—up, 451,400, down, 181,080; grain—4200, up, 594,286 down; coal—401,540, up, none down; miscellaneous commodities—252,655, up, 66,622 down; chemicals—68,232 up, 13,350 down; steel—19,050 up, 77,180 down.

Commercial boats using the lockage facilities included 662 towboats, 2484 barges and 61 private and recreational craft.

U. S. Government traffic consisted of two towboats, 52 barges, construction boat and two U. S. Patrol boats.

### Unions Take No Stand On Branch Banking

Delegates to the Tri-City Trades & Labor Council heard last night a talk by a representative of the Illinois Council for Branch Banking but took no action on the proposal.

Labor Council President Edwin Reiske said the delegates were aware of opposition to branch banking by local banks and believed their stand to be proper for the community.

The delegates were urged to inform their unions to patronize printing shops using only the Allied Printing Trades Union Label. It was explained that a number of printing shops are only partially unionized and that the Allied Label indicates the shop is completely union.

Reiske announced that nomination of council officers for the new year will be conducted at the June 21 meeting with the election to be held at the July 19 meeting.

### Barnhart Infant Is Stillborn At Hospital

David Allen Barnhart, infant son of Mr. and Mrs. Elmer Barnhart Jr., 2419 Hennock avenue, was stillborn Tuesday night at St. Elizabeth Hospital.

Surviving besides his parents are a brother, Clinton Gene Barnhart; a sister, Diana Lynn Barnhart; and grandparents, Mr. and Mrs. Elmer Barnhart Sr., Okawville, Ill., and Mr. and Mrs. Millard Hawkins, Granite City.

Services were held at 2 p.m. yesterday at a Granite City funeral home, with burial at Sunset Hill Cemetery. Arrangements are given in the obituary column.

## John Hogan Wins Park Pin Tourney

John Hogan, 2321 Clark avenue, is the winner of top prize money and a trophy in the Granite City park district men's singles handicap bowling tournament. Park Recreation Director Harold Brown announced today after a final tabulation of scratch scores and handicaps.

Hogan had a six-game total of 1339 pins, including handicap, and rolled a 1201 scratch. His total gave him a 15-pin lead over John Taylor and Roger Paulett, each of whom had 1326 handicap totals and tied for second and third place.

Hogan will receive the bowling trophy trophy and \$150 in U. S. savings bonds when tournament awards are presented next week. Taylor and Paulett will divide \$150 in savings bonds equally.

Fourth place went to Harn Branding, whose award is a \$25 savings bond for a handicap total of 1296, and Bill Brockus finished fifth with 1291 handicap total and will receive a \$5 cash award.

Also receiving a \$25 savings bond will be Clayton Crook, who hit the high handicap single game in the tournament, 220, and Jerry Coyle, who had a 710 series, including handicap, to lead in that department.

The tournament, rolled on the Bowland and Big Top Bowl lanes, was completed last week.

### Park's Summer Recreation Program Adds New Features, Opens June 12

The Granite City park district's annual summer recreation program, which includes day camps, activities at seven playground centers, special sports camps for boys and girls and a two-week day camp for mentally retarded children, will open officially on Monday, June 12.

The park district also plans a gala July 4th celebration, "music under the stars" programs, at least 18 home games by the newly-formed park district Class "AA" softball team, a 32-team boys' baseball program and four local softball leagues.

The summer playground program itself will continue for eight weeks, concluding with a family picnic on Aug. 5. Organized recreation and other activities will take place five days each week at Nameki, Mar-

shall, McKinley, Logan, Niedringhaus and Wilson schools and at the Lincoln Place community center.

The district's second annual sports camp for boys will be held in the park for seven one-week sessions beginning June 12 and continuing through Aug. 4, with no camp being held the week of July 3.

Instruction in baseball, basketball, football and bowling will be featured, together with swimming and a youth fitness program. Noon meals and sports camp uniforms will be furnished.

**Girls' Sports Camp** Added this summer will be an experimental two-week sports camp for girls. Dates set for the camp are June 19-23 and June 26-30, with archery, tennis, softball, bowling and swimming among the activities planned for girls 10 through 13 years of age.

The boys' sports camp will be for boys eight through 12 years of age.

A day camp program also will be offered again at Wilson Park proper, and for the first time the park district plans to show movies at the various playgrounds. Included are seven full-length feature films and a number of cartoons.

Outdoor movies will be shown each Wednesday and Thursday night near the 27th street entrance to the park, and on Friday nights the films will be rotated in areas not served by the park's daytime program.

Special tours are being planned for children who participate in playground activities at the seven summer recreation centers. Already scheduled are trips to the St. Louis zoo and to Grant's Farm.

**Trust Bank Team Wins 'B' League Rolloff** Granite City Trust and Savings Bank edged Palatka Beer in a five-game set for the rolloff title of the Tuesday "B" bowling league Tuesday night on the Bowland lanes, 3-2.

Trust Bank won the decisive fourth and fifth games by the regular season and received a rolloff trophy. Were Oliver Jacobson, Marvin Boyer, John Polson, Jerry McPherson, Raymond Nash and Paul Niles.

## Warrior Netsters Lose To Country Day, Beat Roxana; Gird For District Tourney

Beaten decisively at Country Day school in St. Louis county on Monday, Dick Harmon's Granite City high school tennis squad rebounded yesterday afternoon in other non-conference matches to whip Roxana on the Shell courts, 4-1.

The Warriors did it with only two regulars in their singles and doubles lineups, as Harmon took advantage of the "pressure" of situation by freeing his seasoned players for some informal practice on the Roxana layout, which will be the scene of the IHSA district tournament tomorrow and Saturday.

**Matches At 3 P. M.** Coaches of the nine schools in the district met to gather for a court-side discussion of rules at 2:30 p.m. tomorrow, with the first singles and doubles matches getting underway a half hour later. District winners will advance directly to the state tournament in Champaign May 19-20.

Granite City will have two playing dates between the completion of district competition and the state meet. The Warriors travel to Vandalia on Monday and play Roxana again on May 17.

**Yesterday's results:** No. 1 singles—Bill Logan (GC) defeated Bill Luening (R) 6-0, 6-1.

No. 2 singles—Mike Barnes (GC) defeated Rich Spicer (R) 6-1, 6-0.

No. 3 singles—John O'Dell (GC) defeated Sam Fleming (R) 6-4, 6-1.

No. 1 doubles—Dave Rousseau and Tom Moore (GC) defeated Gene Leach and John Curry (R) 6-3, 6-4.

**Collinsville Edges Coolidge, 10-9** A baseball winning streak at Coolidge junior high school was snapped at five games in Wilson Park Tuesday afternoon as Collinsville JHS notched three runs in the top of the seventh to defeat the Braves, 10-9.

Both clubs hit well, Collinsville gathering 13 hits and Coolidge 12. One of the winners' blows was a three-run homer in the first frame by Wilfred, Jim Profit had a single, triple and home run for the Braves, and Marty LeVaut also had three hits.

Collinsville led 7-1 as the Braves came to bat in the last of the fourth, and Coolidge tied the score with three runs in the fifth. The Braves led runners at first and third in the last of the seventh.

Larry Dillard started for the Braves, with Barry Sykes relieving in the third and Pat Harris in the seventh. Harris was charged with the loss.

Even the man on the level has an uphill fight just to stay there.

No. 2 doubles—Don Gebel and Larry Clark (R) defeated Dave Paoli and Jim Harsh (GC) 6-2, 6-4.

**Country Day of St. Louis**, whose only loss was to Clayton, 3-2 Sunday's Warrior's crew is their third defeat of the season Monday in St. Louis, 4-1.

The Warriors salvaged one doubles match when Max Prusak and Virgil Kirksey downed Drew Braur and Fred Tausig, 6-4, 6-1. Braur and Tausig had been undefeated previously.

**The results:** No. 1 singles—John Adams (CD) defeated Bill Logan (GC) 8-6, 6-0.

No. 2 singles—Andy Barada (CD) defeated Mike Barnes (GC) 6-1, 6-2.

No. 3 singles—Sam Priest (CD) defeated Tom Moore (GC) 6-0, 6-4.

No. 1 doubles—Max Prusak and Virgil Kirksey (GC) defeated Drew Braur and Fred Tausig (CD) 6-4, 6-1.

No. 2 doubles—Sandy Chapple and Bill Horwitz (CD) defeated Keith Veizer and Jerry Warwick (GC) 8-3, 6-2.

Harmon arranged to play yesterday's matches in Roxana in order to give his players a chance to become more familiar with the Shell courts, scene of the district tournament which is scheduled tomorrow and Saturday.

Teams seeking to send singles and doubles entries on to the state tennis tournament in Champaign on May 19-20 will be the Warriors, Greenville, Edwardsville, Bethalto, Roxana, O'Fallon, Collinsville, Belleville and Wood River.

**Hagnauer Is Named Recording Secretary Of Inter-City Loop** Nelson "Nellie" Hagnauer, Granite City, has been named recording secretary of the Southwestern Illinois Inter-City Baseball league by league officials.

Hagnauer, recently elected Granite City township supervisor, played in the Inter-City league with the Sacred Heart club, and later turned his efforts to softball pitching.

His duties will include assisting I-C League Secretary Henry Huser of Troy, who recommended that the league obtain the services of a younger man to assist him with the details of his office.

Hagnauer thus becomes the fifth Granite Cityan among officers of the league for the 1961 season. Others are League Vice President, Charles Brisky, Umpire-in-Chief Wheeler King and Arbitration Board Member William P. Morris and James D. Hackney.

## YMCA To Sponsor Classes For Golfers

Beginning and advanced classes in golfing techniques sponsored by the local YMCA, will be held at the Hillbrook golf course beginning May 15, the YMCA said today.

Open to women and men, the classes will be instructed by Don Cox of Collinsville. The Hillbrook course is located on Pleasant Ridge road, one-quarter mile from State Route 157 near Peters Station.

Cost of the course is \$7 for six lessons, with classes to be conducted on Monday, Tuesday and Thursday. Applicants may be registered in person or by correspondence. The fee is \$7.00. The registration deadline is Wednesday, May 10. Golfers need not have their own clubs to participate.

The beginning course will be concerned with the rules and etiquette of golfing, introduction to and use of the clubs, basic grip, stance and swing, the use of iron, and woods, the tee shot, fairway wood shot, short shot, approach shot, wedge shots, long iron shots, chipping and putting and practice shots in all categories.

The advanced course will include special instruction in areas of the game where the student is experiencing trouble, plus pointers on downhill, uphill, sidehill and sand trap shots.

## 'Y' Track And Field Day Saturday At HS

The local YMCA will stage a "Track and Field Day" for boys and girls in three age groups Saturday at the Granite City high school athletic field, with ribbons to be presented to individuals placing first, second and third in each event.

Nine boys' events in three age groups—midlet, intermediate and junior—and six girls' events within similar age groups are planned. The meet is sponsored by the YMCA youth department, and will be conducted by Pete Robinson, Tom Skubish and Jim Schmiedke of the department.

Deadline for entries, which should be made with some member of the department at the YMCA, is tomorrow. Entrants should state which events they plan to enter. A 15-cent entry fee, covering all events, will be required.

Events for boys include dashes, distance runs, relays, broad jump, high jump, hurdles, softball throw and shuttle hurdle relays. Girls will compete in the high jump, broad jump, hurdles, dashes, softball throw and one relay event.

Participants are being asked to wear tennis shoes and running attire if possible. The boys' meet will begin at 10 a.m., and the girls' events at 1 p.m.

Huff Hurls 3-Hitter

## Granite City's AA Softball Debut Is Come-From-Behind 3-2 Win Over St. Louis Team

Playing smart percentage softball, Granite City rallied for two runs in the top of the seventh last night at Fox Park in St. Louis to edge Eighth Inning Lounge 3-2 in the opening Class AA league game for both teams.

To the first game of the evening, Thurmer's Bar blasted the Jackson Falafels 10-0 in an abbreviated five-inning contest. Granite City will meet Thurmer's next Wednesday.

Ray Huff tossed a three-hitter at Eighth Inning, and left the game for a pinchhitter in the top of the seventh with Granite City trailing 2-1.

Art Borchers had opened the frame with a single, and Charles Johannmeier was safe on an infield error to put runners at first and second.

Goodrich had moved both runners around with a sacrifice, Manager Don McGowan stepped in for Huff and drew a free pass which loaded the bases with one out.

Eighth Inning committed its second miscue of the frame and the game when Don Dillard's

ground ball eluded the shortstop, and Borchers scored the tying run. Harold "Potts" Portell followed with a key single, driving in Johannmeier with what stood up as the winning run.

Norm Grote replaced Huff on the mound in the seventh and worked an easy 1-2-3 inning to preserve a victory for the Granite City starter.

**GC Scores First**  
Granite City got to lower Bill Kraus for one run in the first when Dillard beat out a bunt, moved to second on a passed ball and scored on Jerry Parnley's double to left.

Eighth Inning knotted the score in the home half of the first when Ron Tieber reached on a two-base error and rode home on a long sacrifice fly to center by Hal Cox.

The game remained 1-1 deadlock until the sixth when Charlie Miller singled, advanced on an error and crossed the plate on Al Courley's base hit.

Following next Wednesday's date with Thurmer's Bar, Granite City plays another Double-A league game at Wilson Park May 17, and then opens its non-league home season at Wilson Park May 18 in a double-header with the Alton Chiefs. Twenty-eight games have been scheduled here by the club, which was formed early this year under sponsorship of the Granite City park district.

The club has over 70 games on its summer schedule, including dates with the 1959 men's world champion Aurora Sealmasters, the 1960 Missouri champion Ugas Jets, western regional ASA champion A&A Shoppettes of Springfield, Mo., and a number of outstanding AA class teams from the metropolitan area.

**VICTORY SMILES.** Ron Dillard, Art Borchers and Charles Johannmeier (left to right) celebrate in the Fox Park dressing room following Granite City's come-from-behind 3-2 victory over Eighth Inning Lounge in the Double-A softball loop in St. Louis. Each scored one run in the opening game for the newly-formed team, which has more than 60 games scheduled with top competition this summer, and will open its home season at Wilson Park May 18 in a doubleheader with the Alton Chiefs.

## Braves Pin 11-4 Loss On Prather At Wilson Park

The Coolidge Braves continued to add to the baseball woes of Prather Junior high school, handing the Chiefs their fifth straight loss at Wilson Park yesterday afternoon, 11-4. Coolidge ran its season's mark to 6-1 with the victory.

Prather got off to an excellent start in the first inning, scoring four runs and knocking out Coolidge starter Dale Culp, but relief Pitcher Pat Harris blanked the Chiefs the rest

of the way, despite giving up six hits. He fanned seven.

Coolidge scored twice in the second and once in the fourth and tied the game with a single run in the fifth inning. They got to starter Bennie Smith and relief Pitcher Reader for seven runs in the last two innings. Larry Canada went 3-for-3 for the Chiefs, and has seven hits in his last 10 trips since being moved to the outfield from catching position. Ron Hall also had two safeties for Prather. Jim Nelson, Charles Stephenson and Jim Proffitt each hit safely twice for the Braves, who had nine base hits. One of Nelson's was a triple.

On Monday at Belleville, the striking out five in 4 1/2 innings. He was relieved by Nick Ryan, who held Belleville hitless but walked five straight batters as the hosts picked up their final two runs in the sixth.

Belleville played errorless ball, while the Chiefs committed three miscues. Prather hosts Cahokia JHS at 4:30 today and plays in Roxana at 4 p.m. tomorrow. The Braves are next scheduled here against Belleville Monday at 4 p.m.

## SIU Foundation Formed To Handle Gifts And Property

Buying property for Southern Illinois University's Southwest campus at Edwardsville and receiving money donated by Madison and St. Clair county citizens and firms for the purpose is a half-million dollar project for the Southern Illinois University Foundation, according to Kenneth E. Miller, Foundation executive director.

The Foundation, chartered by the state as a nonprofit corporation, is designated to receive gifts for the University, to buy and sell property, and to otherwise serve SIU. It was chartered in 1942 when Southern, as a state institution, faced the problem of how to receive gifts. Soon after being chartered the Foundation received its first \$10 gift from an alumnus of the school. Miller says the Foundation now has assets of \$1,750,000. This includes property purchased in Carbondale, gifts, and scholarship and loan funds. It also is a patenting agency for SIU faculty members who develop new ideas through research.

**\$464,191 In Pledges**

The Foundation entered the Southwest Illinois Campus picture on June 1, 1958, when money from the two-county fund drive, sparked by the Southern Illinois Council for Higher Education, began coming in for purchasing the campus site for the University. The Council's fund-raising committee, headed by Robert H. Lewis II of Alton, obtained \$464,191 in three-year pledges for the site purchasing program.

The March quarterly financial summary of the Foundation's Southwest Illinois Campus activities shows that \$183,228 had been received on the pledges by the end of last February, leaving less than \$81,000 still to be collected.

As a corporation, the Foundation entered into loan agreements with 15 banks in the two-county area to borrow money on the pledges and have cash readily available for land purchase. The Edwardsville National Bank and Trust Company has been acting as agent for the banks. Arthur Becker, president of the bank, was a key figure in the area Council on Higher Education's fund drive and is a member of the Foundation's special gifts committee.

**14 Banks In Program**

The other 14 banks making loans in the Foundation's site acquisition program are: the Alton Banking and Trust Company, the Bank of Alton, and the First National Bank and Trust Company of Alton; the Bank of Edwardsville; the Illinois State Bank of East Alton; the First National Bank, the American National Bank in Granite City, Granite City Trust and Savings Bank, the State Bank and First National Bank of Collinsville; the First National and the Union National Bank of East St. Louis; the First National Bank of Wood River; and the Troy Security Bank.

The Foundation currently is making contacts with firms and individuals having unpaid pledges in an effort to clear accounts as

soon as possible, Miller says. Working with Miller on the project is Warren Stoekey, an SIU alumnus recently added to the staff as a field representative at the Edwardsville campus for the Foundation and the SIU Alumni Association. Caswell E. Peebles is the Foundation's assistant treasurer working on the Edwardsville project. Other Foundation personnel includes James Struff, Edwardsville, assistant legal counsel; Donald Leavitt, St. Louis, patent counsel; and the following at Carbondale: Mrs. Lois Nelson, secretary; Robert L. Gallegher, treasurer; and Charles Richard Crony, legal counsel.

The Foundation has purchased or has contracts for deed on more than 1400 of the 2600 acres which Southern Illinois University is acquiring for its Southwest Illinois Campus at Edwardsville. A sales agreement with an additional 40-acre tract has been signed. Aside from the land acquired through the Foundation, the University has purchased 132 acres with state-appropriated funds.

## County Juvenile Home Bids \$129,000 Over Estimate

Low bids for the proposed Madison county detention home totaled \$229,400, or 129,400 over the estimate, it was announced following the bid opening on Monday at Edwardsville.

Members of the county board of supervisors' new building committee said they would retain all bids for study for a 30-day period and the three lowest proposals for 90 days before any recommendation is made to the county board for acceptance or rejection.

Proposals were submitted for general contracting, heat installing, ventilating, electrical work and plumbing.

Lowest of seven bids for actual construction was the \$214,935 figure of Louis Korinek & Son, Collins. The firm also submitted the lowest of seven received on paving a parking lot at a cost of \$9800.

General Refrigeration Co., East Alton, was apparent low bidder among four firms on the figure of \$26,095; while on plumbing work, George A. Gent Plumbing & Heating Co., 214

was low bidder among three firms at a quotation of \$42,791.

In a second phase of plumbing work covered in the specifications for extension of a water main from the shelter site to connect with the Edwardsville municipal water system, Modern Plumbing & Heating Co., East Alton, was low bidder at \$41,238. Lexow Electric Co., Edwardsville, was apparent low bidder on electrical work at \$25,069 for electrical work and \$13,199 for outside area lighting. were lowest of six received.

### War Units Host Officers Of District

Veterans of World War One Barracks 34 and the Auxiliary met Tuesday evening at the VFW hall in Granite City, with 72 present. The business meeting was presided over by the commander, Jay Elliott, and the auxiliary president, Mrs. Elizabeth Hutsel.

The auxiliary obligated two new members, Mrs. Rose Elmore and Mrs. Alpha McCarthy. Two members also were obligated into the barracks, H. E. McCarthy and Melford Hennessy.

Plans were made to entertain veterans at the Alton State Hospital today, and the tentative plans were made for the annual picnic to be held June 25 at Dan's Farm, Edwardsville.

It was announced that the Fourth District convention will be held June 4 at the public library in Wood River. Delegates to the meeting for the Auxiliary will be Mesdames Clara Conaway, Jeff Able, Carolyn Moser, Gracie Hutchins, Clara Elliott and Vera Schilling, and the alternates will be Mesdames Wilma McCarthy, Rose Elmore, Gertrude Rottler, Elizabeth Henshaw, Elizabeth Bergner and Bessie Knipping.

Guests for the evening were the district commander, John Dierkes; district chaplain, Arthur Jagers, and the district auxiliary president, Arthur Jagers, all of Edwardsville.

Refreshments were served by the hostesses, Mesdames Clara Elliott, Elizabeth Hutsel and Kathryn Fellers. Hostess for the next meeting will be Mrs. Irene Hendricks.

### MISSION SENIOR LEAGUE MEETS

A regular business meeting of the Senior League of The Gospel Mission on Twelfth street was held Monday evening presided over by Carol Bradish, president.

Judy Hawk led the devotional service and a report was given by Sandy Lazenby of a recent "Around The World" party held by the league, and the group voted to contribute toward the new hymnals purchased for the mission.

Attending the meeting were Carol Bradish, Jackie Hill, Sandy Lazenby, Barbara Staveley, Judy Hawk, Linda Fowler, Brenda Adams, Larry York, Randee Mosley, Mrs. Bethel Davis, superintendent of the mission, and Mr. and Mrs. Calvin Lazenby Jr., sponsors of the league.

The lesson at Sunday's meeting will be given by Connie Dean.

Money talks, but pelion gets chimney with the average man.

MRS. JAMES C. WARMACK, the former Mrs. Shirley Adams, who was married Saturday evening at St. John United Church of Christ on Nameoki road. The bride is a daughter of Herman Schoeber of this city and Mrs. Nellie Steele of St. Louis. Mr. Warmack is a son of Mrs. Mary Warmack, 410 Kirkpatrick Homes.

### Holland Theme For Garden Study Club Guest Day

The annual guest day party of the Garden Study Club was a delightful event of Wednesday afternoon at the Nameoki Methodist Church.

Twenty-four members and 20 guests were seated for the 12 o'clock luncheon at tables appointed in a "Garden in Holland" theme. The arrangement was by Mrs. E. H. Droege, and the flowers used were tulips, lilacs, and other spring blossoms with yellow, white and lavender the predominant colors.

Mrs. J. O. Lehman, president, welcomed the group and after introducing two out-of-town guests, Mrs. Stephen Shaw of Belleville, a past director of Region Five, Garden Clubs of Illinois, and Mrs. W. H. Stafford of East St. Louis, vice-chairman of Region Five, presented her corps of officers, Mrs. C. E. Eads, vice-president; Miss Lucille Deterding, treasurer; Mrs. H. T. Lewis, recording secretary; and Mrs. O. H. Williams, corresponding secretary.

Mrs. William Kirchner was in charge of the program and Mrs. Droege served as entertainment chairman.

After the invocation by Rev. LeRoy Pittman, pastor of the Nameoki Church, Mrs. George Filcoff gave several violin selections, accompanied by Mrs. Harold Dorries, and there were vocal solos by the latter. The remainder of the program was taken up with slides of trips through Europe shown by Mrs. Droege and George Mueller of Hannibal, formerly of this city.

Cossages of spring flowers were presented to the special guests by the club.

Mrs. J. J. Braden and Miss Deterding presided over the meeting, and Mrs. Arthur Roman served on the hospitality committee. Mrs. Rolla Grennell and Mrs. Lewis were ushers.

## Mrs. Theis Honored At Grand Session Of Job's Daughters

Mrs. E. H. Theis, who served as grand guardian of the International Order of Job's Daughters of Illinois the past year, has returned this week from Chicago where she attended the 39th annual Grand Session of the Order.

The Illinois Grand Jurisdiction covers an active membership of 6888 and an honorary membership of 17,756, making a total of 24,644 members.

Mrs. Nell Baskette, guardian of Bethel 43 of this city, and grand chaplain of Job's Daughters in Illinois, filled her station at the grand session, and other local people present were Mrs. Bess Henley, Mrs. Vivian Rich, Mrs. Christian, who served as emcees for the daughters—Carmen McGovern, honored queen, Lana Rider, Sandra Johns, Carol Sabe, Ann Rich, Linda Teller, Connie Matthews, Sharon Hotton, Mary Lee Lewis, Catherine Poole, Tommye Ann Green, Margaret Champion, Cynthia Zahn, Barbara Martin, Ann Meyers, Nadine Fields, Ellen Chapman, and Judy Smith.

Miss Zahn served as soloist at the opening session, and Miss Champion was appointed as a Grand Representative to the state of Maryland in Illinois.

Some 1500 girls and council members were in attendance at the meeting. Mrs. Margaret

Adams of Chicago, was installed as grand guardian. Her grand session will be held in April in Springfield.

The daughters participate in many charitable activities each year. Those in this district present "Bonds For Braces" to the Shriners Hospital in St. Louis to provide free braces for needy children at the hospital; maintain several "Job's Daughters" rooms in the Illinois Masonic Hospital in Chicago which are used solely for children unable to obtain for medical and hospital care; and they also send money to the American Friends Society to purchase blankets for American refugees in Northern Africa.

Clothes, school supplies, yarn and needles and money to provide extra food also was sent to these refugees. The Masonic Old Folks Home was the recipient of treats during the holidays.

## B&PW Welcomes New Members

The May business of the Quad-City Business and Professional Women's club was held last night at the YMCA.

Mrs. Verna Lengyel, president, was in charge and welcomed a new member, Mrs. Mary Pat Anderson.

The discussion is centered around the revision of the club by-laws and the installation dinner to be held May 17 at 6:30 p.m. at the "Y". The speaker will be Mrs. Jeanette Elliott.

A report on "Meals For Millions," a national project, was made by Mrs. Vernice Wortman, international relations chairman, and committees for the year were appointed.

A number of congratulatory letters were read in regard to the recent dinner meeting at which the club entertained Gov. Otto Kerner, and plans were made for a picnic June 7 at which activities for the season will be concluded. Twenty-two were present.

on Nameoki road. Present were Mrs. Marilyn Laceywell and Mesdames Bert Houston sr. of Florissant, Mo., Edward Jones of Wood River, James Squires, Alan Polley, Gary Pfeiffer, John Keroly, Lester Holzinger, Harold Williams, David Crews, Wesley Weeks, William Curry, Virginia Hollis, Edward Stegmeyer, Lucille Shell, Larry Kinder, Shirley Coulton and the honoree.

### Eta Chapter Makes Plans For Nat'l. Convention

A lengthy business meeting of Eta Chapter of the Phi Tau Omega sorority took place Monday evening at the Etk's Club. Mrs. Gina Thomas, president, directed the discussion, the chief topic of which was the national convention of the local chapter to be held in Colorado Springs, Colo., June 23-25. Miss Hilda Schroeder of the local chapter is serving as convention chairman and also as a delegate. Other delegates will be Miss Dolores Sheridan and Miss Kathryn Weddell with Mrs. Georgina Waggoner as alternate.

Mrs. June Meyer reported on the recent pillow case party of the chapter and Miss Eunice Hatcher discussed plans for the mother-daughter party May 15 at the Chesapeake Inn in St. Louis. She is acting as chairman of that event. Also under consideration was the rummage sale the group will hold May 16 at the IOOF hall with Mrs. Ruby Logar in charge of arrangements.

A nominating committee to select new officers was appointed at the meeting. Those serving will be Miss Marian Chioke, Mrs. Peggy Burch, Mrs. Dolores Siebert and Mrs. June Meyer.

Prizes for the evening went to Mrs. Laura Boyd and Mrs. Mary Eyalene Yenchon.

### Winsome Class Meets Tuesday

The Winsome Class of Suburban Baptist Church met Tuesday evening in the home of the president, Mrs. Earl Lewis, 1300 Twenty-seventh street.

The Scripture lesson was read by Mrs. Ruth Bunker, and after prayer by Mrs. Florence Mott, a short business discussion was held with Mrs. Lewis in charge. Present were Mrs. Lucy Stewart, teacher, and Mesdames Georgia Harlow, Evelyn Mohorn, Catherine Giaccone, Mott, Inogene Smith, Elizabeth Kohl, Laura Harlow, Bunker, Pauline Dahlhaus and daughter, Lana, and Pauline Demery.

### St. Paul Guild Guests Monday At St. John Church

Ladies of St. Paul Evangelical & Reformed Church on the bluff road near Edwardsville were guests of the evening Guild of St. John Church on Nameoki road at a meeting Monday evening.

Devotions were led by Mrs. Joan Schuyler, assisted by Mrs. Thelma Suss, program chairman. The topic was "The Mission of the Church in Service."

Mrs. Judy Stille conducted a brief business session and a special offering was taken to help send a child from the Caroline Mission in St. Louis to camp this summer.

The program was presented by a guest, Mrs. Paul Evans, who reviewed the book, "The Lovely Ambition," by Mary Ellen Chase.

The refreshment tables were decorated in a May Day theme and serving on the hospitality committee were Mesdames Thelma Jacobson, Dorothea Risenburgh, Mary Hoeckstra, Florence Rapp, Cora Hietich, Vivian Davis and Kathleen Tadlock.

### Lydian Class Holds Mother- Daughter Party

Approximately 50 members and guests attended the mother-daughter party of the Lydian Class of First Baptist Church Tuesday evening.

The program consisted of recitations by Patsy Stagner and Beverly Schwendemann, piano selections by Candy Ehler and Shannon Little, and films of England and Scotland shown by Miss Denise Hagan, who took them on a recent trip to those countries.

Refreshments were served from tables decorated with spring flowers in May baskets and corsages were presented to the eldest and youngest mothers of the class, Mrs. H. C. Hecht and Mrs. Blanche Schwendemann. Mrs. Vivian Mitchell, teacher of the class, served as general chairman of the event, assisted by Mrs. Victoria Kent and Mrs. Fie. Metcalf is stationed at Fort Meyer, Va. He is a graduate of the Granite City high school.

GO TO CHURCH SUNDAY

MISS EDITH JOYCE SHAFFER, 2611 State street, whose engagement to Robert J. Deaton, a son of Mr. and Mrs. Joe J. Deaton, 5146 Christy drive, St. Louis, is announced. The bride-elect is a daughter of Mrs. Edith Shaffer and the late Frank R. Shaffer of this city.

### Former Resident Is Married

Announcements have been received of the recent marriage of Pfc. Robert E. Metcalf, a son of Mr. and Mrs. W. L. Metcalf of Fredericktown, Mo., formerly of this city, and Miss Coleen Winters of Fort Collins, Colo. The ceremony was performed April 21 in Washington, D. C.

After a honeymoon trip, the newlyweds will reside at 945 N. Barton street, Arlington, Va. Pfc. Metcalf is stationed at Fort Meyer, Va. He is a graduate of the Granite City high school.

### Plans Made For Mother And Daughter Banquet

The home of Mrs. Michael Lombardi, 5204 Willow avenue, was the place of meeting Tuesday evening for Theta Iota Chapter of Beta Sigma Phi sorority.

Mrs. Phillip Tsagoliaroff, president, was in charge and the members responded to roll call by citing favorite paintings and other works of art.

Mrs. Jack Calve and Miss Marcela Falisher, members of the social committee, presented preliminary plans for a mother-daughter party to be held May 21.

As is an annual custom, the manual of Beta Sigma Phi which contains the history, aims, purposes and traditions of the organization, was reviewed during a question and answer session led by the president. The review preceded the cultural program which included a paper on the expression of sculpture prepared by Mrs. Leland Brackett. Photographs of famous sculptured works were shown and techniques of the artists and the present locations of the treasures were discussed. Miss Marcela Falisher spoke on the art of painting and presented examples of modern art and the works of the old masters for study by the members.

A late dessert course was served by the hostess. The recently elected officers will be installed at the May 10 meeting in the home of Mrs. Dolores Dorch, 2301 Woodlawn avenue.

### Daybreak Opti- Mrs. Club Elects New Officers

The newly-elected officers of the Daybreak Opti-Mrs. Club for the coming season are Mrs. Becky Slate, president; Mrs. Colene Schmidt, vice-president; Mrs. Dorothy Elling, secretary; and Mrs. Frances Holt, treasurer. They were named Tuesday evening at a meeting in the home of Mrs. Joyce Walters, 2738 State street. Mrs. Charlene Voss was co-hostess.

Mrs. Betty Larkin, the retiring president, was in charge and appointed Mrs. Dorothy Moore, Mrs. Lillian Fredericks and Mrs. Schmidt as representatives on the committee of the Granite City Scholarship Foundation. Mrs. Walters will serve as chairman of the June installation dinner meeting.

After the business session there were games and prizes were awarded to Mrs. Slate, Mrs. Esther Schwartz and Mrs. Larkin. A dessert course was served to 13 members.

### Rotary-Anns Elect New Officers

The Rotary Anns were guests of Mrs. Jessie Meng at her farm home just outside Edwardsville Tuesday afternoon for a cook-out, picnic and election of officers.

A business meeting was held in connection with the meeting and the new officers named for the coming year are Mrs. Clara Huber, chairman; Mrs. Marian Willard, co-chairman; Mrs. Mary Sons, secretary; and Mrs. Margaret Cox, treasurer. Mrs. Ellen Aubrey is the retiring president.

Tentative plans were made for a pot luck steak fry later in the month with the husbands as guests. This will be the final meeting of the season. Twelve were present Tuesday and the prize for the afternoon, a bouquet of lilacs, was presented by Mrs. Meng to Mrs. Velma Bule.

## Mrs. Earle Layman Dies Unexpectedly Yesterday

Mrs. Frances Layman, wife of Earle M. Layman, manager of industrial relations of General Steel Industries, Inc. died unexpectedly at 12:10 p.m. Wednesday of an apparent heart attack.

The family, formerly of Granite City, resides at 9840 Bellefontaine road, Bellefontaine neighborhood, St. Louis county. Layman is former chairwoman and president of the local United Fund.

Mrs. Layman's son, David, a student at Corpus Christi high school, was ill yesterday morning and she was accompanying him to the school at noon when she was stricken. He was driving, and she had planned to return the car to their home.

Becoming ill suddenly, she lost consciousness and was driven to a physician's office, where she was pronounced dead. She had been under medical care previously.

Born in Chester, Pa., Mrs. Layman came to this area from Chester eight years ago. She was a member of Our Lady of Good Counsel Catholic Church, Bellefontaine neighborhood.

Besides her husband and son, she is survived by another son, Earle Layman Jr., a student at St. Benedict's College, Atchison, Kan.; three brothers residing in Pennsylvania; and four sisters, also of Pennsylvania.

Her remains will lie in state at St. Louis funeral home beginning at noon Friday, and funeral services will be held at 10 a.m. Saturday at the Our Lady of Good Counsel Church. Burial will be at Bellefontaine Cemetery. The family has suggested contributions in her memory to the Father Flanagan Boys' Home at the Boys' Town of Nebraska.

## Girl, 13, Missing For Week From Home In GC

Mrs. Phyllis Utzage today renewed efforts to locate her 13-year-old daughter, Jean, who has been missing from home since 11 p.m. last Thursday. She said the girl left the house with a man about 22, whose name is not known, and may have hitchhiked to New Mexico.

The girl, a seventh grade pupil, was wearing black slimgims, a black sweater and a dark gray jacket. She is about five feet four inches tall, weighs 110 pounds and has short brown hair and blue eyes.

The mother resides at 2915 Edwardsville road and may be reached by a neighbor's telephone, TR. 7-5150, she said.

## Girl, 12, Suffers Bruises When Struck By Auto

A 12-year-old Venice girl suffered hip bruises at 3:57 p.m. Tuesday when struck by the right front fender of the southbound auto of Bonker T. Lloyd, 34, of 1037 Calhoun street at Meredocia and Logan streets, Venice.

Solastine Griggs, daughter of Mrs. Ernestine Griggs, 1105 Bissell street, received emergency treatment at St. Elizabeth Hospital. X-rays showed no fracture.

The girl and police had turned left onto Meredocia from Calhoun. As he approached the Logan street intersection, the Griggs girl left a group of girls standing on the southwest corner and started to dart across the street, he related. He was held pending a report on her injuries and then released.

MISS JO ANN GRIFFIN, fiancée of Freddie Novosel. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Edmund Griffin, 1745 N. 49th street, East St. Louis. Mr. Novosel is a son of Steve Novosel, 10225 McCambridge avenue, Madison.

## Party For Get Together Club

Mrs. Charles Knecht, 2103 Manley avenue, had a party for her club, the Get Together, Wednesday afternoon.

A noon luncheon was served at an attractively arranged table and favors were individual but vases holding spring flowers.

Awards were made to Mrs. Herbert Buente, Mrs. Sam Kelley and Mrs. Conrad Moeller and the members were invited to the Moeller home on Grand avenue for the next meeting.

About 3,000 dentists are trained in the United States each year.

### PRAYER CIRCLE HOLDS MEETING

The Ladies Prayer Circle of the Gospel Mission met at the church Wednesday morning.

After a circle of prayer by the members, a flannelgraph lesson was given by Mrs. Jewel Danyshrink of Belleville. It was taken from the Book of Exodus.

A covered-dish luncheon was served at noon to Mrs. Bethel Davis, superintendent of the mission, Mrs. Jewel Danyshrink, Mrs. Kate Skinner, Mrs. Virgie Womack, Mrs. Bonnie Lazenby, Mrs. Fannie Jones, Mrs. Alice McQuinn, Mrs. Christine Hildreth, and two guests, Mrs. Barbara Smith and Mrs. Virginia Reed.

Dedication of the new Sunday school and chapel hymns will be held Sunday at 9 a.m. at the Mission. Rev. Daniel T. Gehman, professor in Hebrew at Midwest Bible College, will lead the service, assisted by Mrs. Davis. There will be special music by Larry Hayes, vocalist; a girls' trio; and the Junior and Senior choirs.

Rev. Gehman will be the speaker at the 7:30 p.m. service as well.

**QUEEN ATTENDANT, Miss Marie K. Mitchell**, who has been selected as a member of the "Burian Queen's court" at Blackburn College to reign over Parents' Weekend festivities at the college May 13-14.

### Miss Mitchell Chosen For College Court

Miss Marie K. Mitchell, a daughter of Mr. and Mrs. Thomas M. Mitchell, 1512 Johnson road, has been selected a member of the "Burian Queen's court" at Blackburn College in Carlinville. The queen and her court will reign over Parents' Weekend festivities at the college May 13-14.

Miss Mitchell was one of 20 freshmen girls selected. The basis for judging was academic record and participation in co-curricular activities at the college. The contest to pick the queen is sponsored by "The Blackburnian," the college's newspaper.

An active member of the college choir and Home Economics Club, Miss Mitchell is a 1960 graduate of the Granite City high school.

**SAFETY DEMONSTRATION**  
Girl Scout Troop 162 made a trip to Wilson Park Tuesday with the leader, Mrs. Bernice McKay, and Mrs. Sarah Beadle. The fire patrol gave a safety demonstration. They each girl cooked a hamburger on a "buddy burner."

The troop celebrated the birthdays of Pamela Sullivan and Linda Beadle. Others present were Nancy Singer, Call Martin, Susan Martin, Mary Alice McKay, Lynn Blankenship, Patricia McKay, Deborah Anish, Debbie Robinson, Terry Lee Beck, Beverly Norton, Gay Stidham, Pamela Barr, Janice Brown, Georgia Long, Suzanne Shoemaker and ten guests.

**ANTI-RABIES SHOTS**  
Dog owners may obtain anti-rabies shots for their pets from 1:30 p.m. to 3:30 p.m. Saturday at the Mitchell fire hall. The county veterinarian will administer the shots.

**Conduct Charge Filed In Weekend Shooting**  
Arrested at 11:30 a.m. yesterday, Perry D. Crenshaw, 27, of 1009 Bissell street, Venice, was charged with disorderly conduct in a warrant issued by Justice of the Peace Harry E. Hartman on a complaint by Assistant State's Attorney John Glawicki.

The charge is based on alleged shooting of Willie Lee Kozart, 30, East St. Louis, outside the Village Tavern, Eagle Park Acres, April 29. A bullet from a .22-caliber pistol grazed the back of Kozart's head.

Booked at the Madison city hall, Crenshaw was released at 1:20 p.m. yesterday on \$500 property bond to appear May 16 in Hartman's court.

**James Denson Fined \$50 For Peace Disturbance**

James Denson, 21, of 1325 Meridian street, was fined \$50 Tuesday in the Edwardsville justice of the peace court on a charge of disturbing the peace.

He was arrested at 1:55 a.m. the same day at the Sand Prairie tavern on State Route 35. Madison county authorities said.

Of 15,000 different kinds of mammals in the world, 3,800 of them are native to North America.

# Low Day Observance

## Student Jury Returns Verdict In Mock Trial

A 12-student jury ruled in favor of a widow seeking a judgment in a simulated court case involving a traffic accident which took the life of her husband. The mock trial was staged Monday by local attorneys at Granite City high school auditorium in observance of "Low Day."

The jury, composed of civics students of the school, heard testimony from four witnesses and weighed evidence presented by the lawyers. City Judge Fred P. Schuman presided. Mrs. Daisy Pashea, court reporter, and Mrs. Helen Homan, clerk of the city court also took part.

More than 1000 juniors and seniors watched the legal proceedings which began with the selection and impaneling of a jury.

The case involved a public transit company with a vehicle in a bus-car crash in which the woman's husband was killed.

Cross examinations and direct and cross examinations and showed types of questions which

would bring objections, calling from a ruling from the bench.

Attorneys John Dufner acted as defense counsel; Charles Jungels, defense co-counsel; George Moran, plaintiff counsel and Dwight Taylor, plaintiff co-counsel.

Atty. Randall Robertson appeared on the witness stand as the bus driver; Atty. Horace Calvo, a passenger in the bus; Atty. Leo Konzen, passenger in the car; and Atty. Merlin Hiscott, a witness who saw the mishap from the street. Atty. Leon Scroggins was bailiff. Students portrayed the widow and bus firm operator.

Purpose of the demonstration was to acquaint students with the selection and impaneling of a jury and to show the legal profession in action.

Dufner said similar programs will be conducted annually for students.

Stick to your good resolutions—even bad men had good intentions.

**MOCK TRIAL PARTICIPANTS** following simulated court case at Granite City high school Monday in observance of "Low Day." Attorneys, legal clerks and students took part in the trial. Left to right are Charles Jungels, Randall Robertson, Merlin Hiscott, Horace Calvo, Mrs. Helen Homan, court clerk, Dwight Taylor, George Moran, Leo Konzen, City Judge Fred P. Schuman, John Dufner, Mrs. Daisy Pashea, court reporter, and Leon Scroggins. Students in foreground comprised jury.

### 2 Women Hurt In Falls From Ladder, Stairs

Mrs. Leslie Gurley, 39, of Rutland Route One, sustained scalp cuts and knee abrasions when she fell down stairs at her home

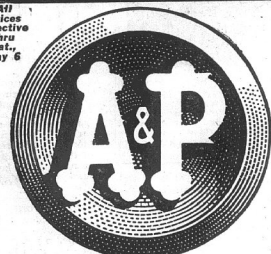

yesterday morning. Six stitches were required to close the wound and x-rays were taken at St. Elizabeth Hospital.

Mrs. John Krivul, 59, of 2416 Illinois avenue, fell from a ladder

at home at 7:30 p.m. yesterday, fracturing her right ankle. A cast was applied at the hospital and she was released.

**TAKING OATH OF OFFICE** during Monday night's first council session of the new year are Granite City's mayor and council members elected last April 4. Front row, left to right — Mayor Davis, Alderwoman Mrs. Gabrielle Betts, Alderman Casmer Skubish and City Clerk A. L. Stevens, who was reelected April 4 and is administering the oath. Back row — Ford Johnson, Paul Rutledge, Steve Basarich, Arthur Wier, Joseph Cuvor and Edmund Bortolask.

1844 VENICE AVENUE GLENVIEW  
ELECTION FOR WGS  
OF NAMEOKI METHODIST

The Women's Society of Christian Service met Monday evening at the Nameoki Methodist Church, with 19 members present.

Mrs. Ann Haley led the devotion and the group singing, accompanied by Mrs. Ruth Hancock at the piano. Mrs. Dorothy Luckert, read from the Bible.

The program was a pledge service conducted by Mrs. Luan Briner, assisted by Mrs. Gesine Kirchner, Mrs. Pat Merz and Mrs. Mary Bailey.

Miss Morene Groshing, president, presided at the business meeting and the Society wrote to Adlai Stevenson supporting the work of the United Nations.

A report was made on the pie sale project and it was decided to hold such a sale May 25 and discontinue during the next few months, with September slated for the first fall sale. Mrs. Bailey announced that all secretary reports are due and should be turned in to her.

The annual election of officers for the coming year was held with Miss Groshing again elected president, Mrs. Ruth Hancock named vice-president, Mrs. Vivian Gulka recording secretary, Mrs. Briner treasurer and Mrs. Doris Lathrop, promotion secretary.

Secretaries named were Mrs. Vera Pittman, missionary education; Mrs. William Kirchner, Christian social relation; Mrs. Dorothy Wallace, student work; Mrs. Bess Clauson, youth work; Miss Joyce West, children's work; Mrs. Dorothy Luckert, spiritual life; Mrs. Mildred Nance, literature and publications; Mrs. Lucille Russell, supply work; and Mrs. Irene Key and Mrs. Vivian Wolfe, social church activities.

Mrs. Fay Bess was named Naomi circle chairman and Mrs. Virginia Carroll, Every Member Day circle chairman. The meeting closed with prayer offered by Mrs. Bailey, and a late dessert course was served by Mrs. Johanna Collett and Mrs. Luckert to the new electees and to Mrs. Ena Potter, Mrs. Jane Elkins, Mrs. Jan Kohl and Mrs. Betty Rotramel.

The next meeting will be held June 5 at the church.

## JR. MAECENAS SOCIETY

ELECTS MRS. KELAHAN

The Junior Maecenas Society held its final meeting of the year and the election of officers for the coming year Tuesday evening at the home of Mrs. Vera Sage, 2825 Grand avenue.

Mrs. Jean Kolhar was elected president, Mrs. Dorothy Brewer vice-president, Mrs. Mary Lee Lutton treasurer and Mrs. Dolores Yates, secretary.

Final plans for the annual mother-daughter luncheon were made, and Mrs. Kathleen Tadlock was named chairman of the banquet, with Mrs. Catherine DeWitt and Mrs. Helen Torcott appointed to the committee on games. The banquet will be held May 17 at the Rose Bowl.

Three new members accepted for membership were Mrs. Nadine Brunieue, Mrs. Mildred Petrovich and Mrs. Shirley Thompson. A mystery prize was awarded to Mrs. Linda Johnson, Mrs. Rosalie Griffey, Mrs. Betty Van Kirk, Mrs. Dolores Riddle, Mrs. Barbara Poole, Mrs. Genevieve Bar, and the prize winners.

The next meeting on June 6 will be held at the home of Mrs. Mickey Easley.

## E&R Synd Approves

New Constitution

The South Illinois Synod of the Evangelical & Reformed Church voted yesterday at Belleville to approve the constitution of the United Church of Christ.

The 22nd annual Synod meeting, being conducted at St. Paul United Church of Christ, ended yesterday and was attended by more than 200 delegates representing 92 churches.

Local delegates were Mrs. Russell D. Johnson, Mrs. Elmer A. Branding, Rev. Robert Baumann, pastor, and Rev. H. H. Wintermyer, pastor emeritus of St. Peter's Church, and Carl Burdick and Rev. Paul Surber, pastor of St. John United Church of Christ.

The new constitution was approved by a vote of 80 to 63, and the local area voted with the 18th of 33 to give approval.

The individual Congregational Christian churches also are in the process of approving the measure with a June 1 deadline.

During the meeting at Belleville, the South Illinois Synod reaffirmed its stand against the legalized gambling in Illinois, including bingo.

At the Monday session, Rev. Baumann led the opening devotion, and the General Council of the Congregational Christian Churches with the Evangelical and Reformed Church.

# Venice Girl, 3, Still Critical, Unconscious

Little Margaret Ann Freise, three-year-old daughter of Mr. and Mrs. Clarence J. Freise, 616 Lincoln avenue, Venice, remains in critical condition at DePaul Hospital, St. Louis, where she has been a patient since being struck by an auto last Saturday.

The girl, who has been unconscious most of the time with a double skull fracture, is showing some signs of improvement, the parents were told last night.

The father, a burner in yards maintenance at Granite City Steel Co., said he and his wife have kept a continuous vigil by the girl's bed since the accident, but both were sent home last night by the doctor. They returned to the hospital this morning.

He said Margaret Ann remained unconscious yesterday, but after several hours' lapsed into unconsciousness again. The doctor said her quiet manner yesterday indicated an improvement, the father said.

The girl was struck by an auto last Saturday evening in the 2100 block of Washington avenue.

## ST. MARK'S STUDENTS

JOURNEY TO CHICAGO

The seventh and eighth grade classes of St. Mark's visited on a trip to Chicago to see the new Science Museum of Science and Industry.

The group left Granite City on the "Midwest" Special and arrived in Chicago had breakfast at Harvey's in Union Station.

The students returned to Granite City on the "Abraham Lincoln" streamliner Tuesday night, having dinner on the train.

Guide for the trip was Roy Fischer of the GMA. The pupils were accompanied by Sister Mary Joseph, Sister Mary Herman, Sister Mary Ruth and Sister Mary Andrew.

Students who made the trip were Jimmy Shambro, Donnie Mandel, Earl Hogan, Jack Tolliver, John Shambro, Larry Orasco, Buddy Koelker, Mike Britt, Bernice Koelker, Charlotte Shroy, Laraine Vasquez, Barbara Munk, Elaine Watson, Susan Vasquez, Marilyn Connor, Mary Donna Scaturro, Kathy Ochoa, Catherine Levy, Linda Montone, Evelyn Meyer, Virginia Pace and Shirley Hogan.

## ST. MARK'S PARISH

The Holy Name Society of St. Mark's Church held its regular meeting on Tuesday evening, with the president, Alfred Pace, in charge. The main topic of discussion was tentative plans for a parish picnic to be held at Lee Park on May 21.

Highlights of the day will be a softball game of the men of the parish against the school children. There also will be other activity games, and a basket lunch will be enjoyed.

Arrangements were made for a Mother's Day breakfast for all mothers of the parish to be held on May 14, following the 8 a. m. mass.

Following the business meeting, refreshments were served by the refreshment committee, Pace and Harlan Hooks. Members present were Claude Bilbrey Jr., Claude Bilbrey Sr., John Blina, William Boerckel, Lawrence Darnell, Fred Duran, Lawrence Freeze, Harry Hadley, George Herl, Alex Kovalski, William Meehan, Tom Mahan, Jess Tawney and Larry Bilbrey.

REBEKAHS OF LODGE 570 TO HONOR MOTHERS

Rebekah Lodge 570 met Monday evening at the Odd Fellows hall with the noble grand, Nell Montgomery, in charge. Plans were discussed for a Mothers' Day program for the next meeting, when each member will bring her mother or a friend.

It was announced that a white elephant sale will be held at the next meeting. Following the business meeting, a social hour was enjoyed and refreshments were served by the hostesses, Mrs. Ethel Dumivant and Mrs. Marie Zeigler to Miss Luella McLeod and Mesdames Thelma Johnson, Martha Watson, Bill Carpenter, Marge Purcell, Marie Yeager, Olga Robinson, June Peck and Laura Belle Beeson.

Hostesses for the next meeting will be Mrs. Robinson, Mrs. Peck and Mrs. Jahnsen.

Members of Venice Rebekah Lodge 570 attended a District 26 meeting Tuesday at the Salvation Army Hall in East St. Louis. There were 205 attending, representing lodges in 14 districts. Those attending from Lodge 570 were Mrs. Edith Johnson, Mrs. Marie Watson, Mrs. Nell Montgomery and Mrs. Olga Robinson.

Levee Board 'Meets', Adjourns Until May 10

Members of the East Side Levee & Sanitary district board of trustees met and recessed yesterday without conducting any business, as the dispute over the board's emergency dragged into its fifth month.

The regular monthly meeting was rescheduled for 1:30 p. m. next Wednesday, May 10, in the levee district offices at 2842 McCasland avenue in East St. Louis.

Meanwhile, attorneys for the opposing factions, one claiming Dan E. Costello as president, the other contending that Lawrence Tolar holds that office, will meet again with East St. Louis City Court Judge John M. Karns in an attempt to iron out difficulties.

Judge Karns set tomorrow as the deadline for attorneys for Costello and George Duff to file answers to motions to dismiss injunctions preventing the majority faction of Tolar, Thomas "Skip" Hennessy and John Molla from calling or conducting board meetings.

"I think we will be able to conduct some business next Wednesday," Costello said upon being reached by telephone this morning.

Hennessy, Tolar and Molla refused to consider resolutions presented for adoption yesterday on the grounds that they had not had sufficient time to study the proposals. Costello agreed to furnish advance copies of the proposed motions in the future.

Among business on the schedule yesterday which was left uncompleted was routine obtaining of right-of-way, a motion for the issuance of tax anticipation warrants by the district, and a statement of the assessed valuation of the district, approved copies of which must be filed with county clerks in Madison and St. Clair counties.

Assault Warrant

Raymond Green, 27, of 548a Marechal street was booked by Venice police yesterday for having no state auto license and an assault and battery warrant filed by Willie Mae Boyd. He was released on bond until Saturday.

harricades on the McKinley Bridge, near the watchman's shanty, at 8 p. m. Tuesday.

Police alleged that the west-bound car struck the north side of the bridge, veered to the other side, skidded along a temporary guard railing, ran over two 124-inch bridge timbers, crossed the eastbound traffic

hills and struck timbers and railings on the south side shanty, at 8 p. m. Tuesday.

Whitting-Turner, bridge remodeling contractor, listed \$300 damage, including 92 feet of temporary railing, 120 feet of warning lights, a sign and several timbers. The damaged car was towed to a garage.

## Mass Transportation Plan Outlined By St. Louis Firm

A detailed plan for the immediate unification and improvement of all mass transportation service throughout the Missouri-Illinois Metropolitan Area, including the Quad-Cities, was proposed yesterday by President John C. Blaine of St. Louis Public Service Co. David John, secretary for Community Coach Co., said the firm has never been contacted by the St. Louis company and local officers now are in the process of studying the proposal. He said the CCC president, George W. Stewart, is out of town, but should return late this week.

"We know mass transportation is necessary to do the proper job, but at present we need more time to study the plan outlined by the St. Louis firm," John said.

The plan would provide the city of St. Louis and St. Louis, Madison, and St. Clair counties with a single, integrated all-bus transit system. It would eliminate the double fares now paid for inter-company service; greatly expand the number of express lines serving the entire area; improve intra-community service; and the plan would offer "home rule" regulation of routes, service, fares, and earnings by a local bi-state transit board.

In order to make these improvements possible, the communities served are to be asked to relieve the new transit system of all local taxes, support measures for relief from other operating taxes, adopt traffic regulations to help speed the movement of transit vehicles, and establish parking locations in outlying sections for an area-wide park-ride system.

**Rest of Surveys**  
The plan was developed for St. Louis Public Service Co. by Simpson and Curtin, of Philadelphia, transportation engineering specialists. It incorporates many of the recommendations proposed by W. C. Gilman and Co. in recent studies for St. Louis, St. Louis county, and the Bi-State Development Agency.

In submitting its plan, Simpson and Curtin said: "Public concern about transportation and traffic matters in the St. Louis area has resulted in many planning studies during the last several years. They are competent and complete. And there is general agreement on the essential role of transit in the economic improvement of this community."

"In our opinion, further diagnosis is not needed; this is the time for remedial treatment. Delay is the most expensive course of all."

"The acceptance of this plan would initiate an area-wide metropolitan transportation system without the drastic step of government ownership."

"It provides benefits for all concerned. It offers a strong unified system of transportation, with improved service and reduced fares. It should reduce the traffic and parking load for the entire area and encourage greater use of transit."

"To place this plan in effect, the municipalities involved would be required to forego tax revenues. St. Louis Public Service Co. would have to undertake the risk of additional investment and increased operating expenses. But it is believed that the advantages of consolidation far outweigh the loss of taxes to the communities and the risk to the company."

"The adoption of this plan would make the community eligible for federal assistance under the Mass Transportation Act of 1961, now pending in Congress."

"We believe also that this proposal is more workable and more susceptible to ready achievement than the government ownership plans heretofore proposed. It is the only proposal that has been advanced spelling out a specific program of transit improvement for the community as a whole."

**Major Provisions**  
The major provisions of the plan are:

## New Construction Last Month Totals \$520,500 In GC

Issuance of 34 construction permits late last month, including 10 for new dwellings in subdivisions, increased the number for April to 92 with a total value of \$520,534.

City Building Inspector Earl Bloomquist, who with City Clerk A. L. Stevens, issues the permits, said the number was the largest for any month this year.

For the month, 25 permits were issued for homes valued at \$418,250; two for house trailers, \$2,750; 33 for home improvements costing \$31,530; 27 for commercial structures or improvements, \$83,525; and five for private garages valued at \$3,934.

**New Dwellings**  
Of the 10 home construction permits issued late in April, seven went to Henry Ross, contractor, for brick veneer dwellings with six rooms and bath to be erected on Devon Hill drive at a total cost of \$88,000; two at 3254 Franklin avenue to cost a total of \$35,000; and one at 3243 Edgewood drive to cost \$17,500.

Ray Campbell, contractor, obtained permits for three houses — a \$17,500 brick veneer with six rooms, bath and garage at 4064 Vesel avenue; a \$17,000 brick veneer with six rooms, bath and carport at 4065 Vesel avenue; and a \$17,000 brick veneer with six rooms, bath and garage at 2605 Lynch avenue.

**Private Swimming Pool**  
Among the home improvement permits was one for a \$4,000 swimming pool, 20x40 feet and three to eight feet deep to be erected at 44 Terrace lane by Jim Frey.

Other home improvement permits were issued to the following: Leo E. Robertson, West 23rd street and Nevada avenue, \$2,000 for a room addition and garage; George Mathenia, 2807 Denton street, \$1,500 for a carport and garage; Chalmers Tucker, 2109 Richmond avenue, \$1,200 for a porch deck; Rupert Urey, 2332 Grand avenue, \$1,000 for siding; Mitchell Williams, 2312 Missouri avenue, \$1,000 for basement floor and windows; Maurice Scheffel, 2405 Dewey avenue, \$1,000 for roof and repairs; Melvin Schneider, 1928-31 Grand avenue, \$1,000 for general repairs; James E. Drury, 2810 Edgewood drive, \$880 for siding; Lawrence Stegmeyer, 2137 Monroe, \$875 for siding; George Kadar, 2548 State street, \$750 to repair garage; William Scharinghaus, 2549 Edwards street, \$550 for porch repairs; Brey Wyatt, 2609 Edwards street, \$300 for an addition to a garage; James Owens, 2820 Adams street, \$150 for a concrete driveway.

**Power Substation**  
Illinois Power Co. will spend \$17,000 to erect an electric substation with transformers and switches at 2612 Kate street; and among other commercial permits were: Rich's Ladies Apparel, 1302 Nineteenth street, \$700 for remodeling; Carp's Dry Goods store, 1305 Nineteenth street, \$1,000 for alterations to windows; Henry Ross, \$7,000 for alterations for a laundromat at Clark avenue and Namekoi road; Norman S. Parrill, \$4,561 for a laundromat with 21 washers and six dryers at 1601 Pontoon road; Raymond Schaus, \$5,000 for remodeling and alterations for a garage at 2107 East 24th street; Franklin Union Furniture store, \$2,264 for an advertising sign at 19th street and Belmont avenue; Andrew Petrovic, \$1,600 for an advertising sign for Superior Body Shop, 1431 Iowa street; St. Elizabeth Hospital, \$1,000 for additional electrical service; and Diamond-Frank Co., \$800 for alterations at 23rd and Monroe streets.

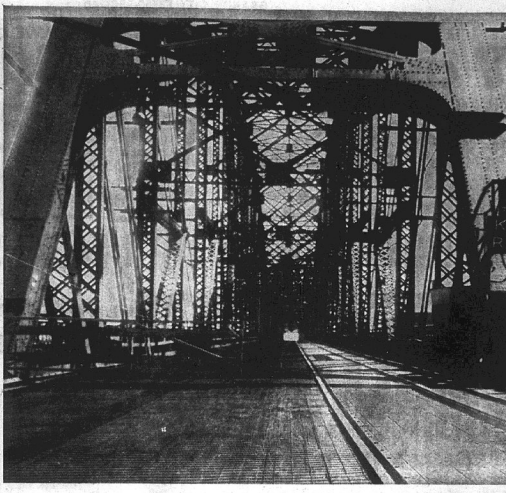

**Park-ride system:** Communities in the Bi-State Area will establish parking locations in outlying sections to permit direct bus connections to the central city under a coordinated, area-wide park-ride system, thus relieving traffic congestion on main arteries and bridges.

#### 25 Service Pin Awards

## Hospital To Honor Employees During Week's Observance

Long service pins are to be awarded to 25 employees at St. Elizabeth Hospital during next week's observance of National Hospital Week. It was announced today by Slater M. Stanila, administrator.

The special recognition day for hospital workers will be on Friday, May 12; while other festivities are planned for the week starting on Sunday.

The first baby born on Sunday, May 7, the starting day for Hospital Week, will be given a layette, according to Mrs. Nedra Moran and Miss Dolores Clyde, registered nurses, who are in charge of arrangements.

Doctors' Day will be observed on Tuesday, May 9, and members of St. Elizabeth Hospital Nurses' Alumni will be honored with a tea next Wednesday.

**Service Awards**  
Presentation of service award pins on Employees' Day, May 12, will be made by Dr. Melvin Freedman, president of the hospital medical staff.

Those to be honored are: Fifteen years — Miss Katherine Keller, office department, 2244 Adams street, and Mrs. Anna Sternberg, dietary, department, 2475 Center street.

Ten years — Mrs. Ella Jones, nurse aide, 1907 Fourth street, Madison; Mrs. Edith Massey, nurse aide, Rural Route Two; Mrs. Esther Cottrell, nurse aide, 2201a State street, and Mrs. Donna Hand, laundry, 1838 State street.

**Five-Year Pins**  
Five years — Mrs. Shirley Wendel, registered nurse, 48 wardsville; Mrs. Dorothy Kavula, registered nurse, 3232 Car-

son avenue; Mrs. Mildred Dugan, registered nurse, 3156 Jill avenue; Mrs. Peggy Merriam, registered nurse, 2428 Grand avenue; Mrs. Grace Pope, registered nurse, Coffeen, 111; Thomas Bigham, purchasing agent, 29 Riviera drive.

Mrs. Mary Gerkin, dietary department, 2808 Victory drive; Mrs. Margaret Sykes, dietary, 2013 Dewey avenue; Harvey McDonald, housekeeping, 323 Hill street, Madison; Mrs. Marie Cook, laundry, 2144 Miracle avenue; Mrs. Lizzie Brown, nurse aide, 1025 Calhoun street, Madison; Miss Dorothy Kwiatkowski, nurse aide, 2007 Edwardsville road, Madison.

Mrs. Etta Pinkerton, nurse aide, 2105 Delmar avenue; Mrs. Loretta Wilkinson, nurse aide, Rural Route One; Mrs. Gertrude Hundt, nurse aide, 2503 Circle drive; Mrs. Vola Rippey, nurse aide, 2814 Enzette street; Mrs. Rose Ropac, nurse aide, 1716 State street; Mrs. Judith Curry, x-ray department, 3017 Ramona drive; Miss Sheila Purcell, x-ray, 2809 Oregon avenue.

**Park-N-Eat Drive-In Diner Issued State Charter**  
The Park-N-Eat Drive-In Diner, 1525 Niedringhaus avenue has been issued a corporation charter, according to a report from Secretary of State Charles Carpenter.

The diner, previously privately owned, was incorporated under the names of T. Cecil Miner, Nettie E. Miner and Theodore C. Miner, Jr., operators of the business. Mr. and Mrs. Miner acquired the diner in 1954.

**Clemency Denied**

(Continued from Page 1)

has received about 50 letters, most of them from the Quad-City area and most urging clemency. He commented to newsmen, "If I knew the names from memory I would tell you, but I will not give access to them because they are of a private nature."

Gov. Kerner told today's press gathering, "Throughout the period of my public service, and throughout the present campaign, I have insisted and shall continue to insist on the highest integrity in positions of public trust."

"Orville Hodge held one of

the highest public offices which the people of Illinois can offer; he was prominently considered for still higher office. Having been accorded the trust and respect of countless of his fellow citizens, Mr. Hodge violated that trust."

"The petition which has been presented to me seeks the exercise of the power of clemency entrusted in the governor. I feel it would not be proper for me to grant executive clemency in this case."

"I want to make it clear that I am not suggesting that as a civilized people we cannot forgive Mr. Hodge and give him the opportunity to rehabilitate himself."

"I would suggest to the petitioner and to his attorneys that this matter again be brought before the Parole and Pardon Board."

At the hearing, friends of Hodge testified that he is repentant. They cited extensive civic work performed by him.

"Fresh, New Viewpoint" "It should be noted that the composition of the Parole and Pardon Board has been substantially changed, and this would afford the petitioner a fresh and new viewpoint from the Parole and Pardon Board."

Hodge currently is serving a 12-to-15-year sentence at the Menard state penitentiary, Chester. One of the possible recommendations considered by the board was a recommendation for reduction to five-to-15 years, which would have paved the way for parole this year.

Kerner said Charles Kinney (R) is being retained as chairman and Joseph Carpenter (R), brother of Illinois Secretary of State Charles Carpenter, is being retained as a member of the board.

regard to the series of robberies and break-ins last weekend. The investigation has not yet reached a point to permit filing of charges, they reported.

Charged in Store Theft Those named in Madison this week for larceny were Lott Pickett Jr., 22, of 56 Lee Wright Homes, Venice; Ulas Davis, 31, East St. Louis; and Robert Yarber, 41, of 701 1/2 Franklin street, was lowest of three submitted. Morgan said. Other bids were by Modern Painting Co. and Cozart Painting Co.

Each was named in a warrant issued by Justice of the Peace Harry E. Hartman at the request of Assistant State's Attorney John Gleigoff. Pickett and Davis were released on \$1000 property bonds, and Yarber was still in custody this morning. They are to appear May 16 before Hartman.

The three are alleged to have been involved in theft of \$125 from the exchange furniture store while the manager was alone in the establishment. The money was discovered missing from a cash register after they left.

## Needed: Some Timely Hitting From Sacred Heart, Mercer Bat Welders

Unable to rattle any of the big bats which kept them near the top of their respective divisions last season, Mercer-Pennell Home and Sacred Heart will seek to solve opposing pitchers when it counts Sunday in contests of local interest among five scheduled in the Northwestern Illinois Inter-City Baseball League.

Key hits eluded Mercer, the defending league champion, last Sunday in a 3-2 loss to Moose Club No. 4 of East St. Louis, especially in the fifth inning when the local club loaded the bases with nobody out but scored only one run—that on a walk—and the Hearts could not get anything resembling a scoring inning together until the ninth frame against White City in dropping a game to their hosts by an identical 3-2 score.

Both clubs tied to the 500 mark as the result of last Sunday's losses, and are looking up to new division leaders—pending the outcome of Sunday afternoon contests.

**Hearts At Home**

leader Moose Lodge at Jones Park in East St. Louis. The Hearts, who were victorious in their only previous appearance

at Wilson Park two weeks ago, will seek to make it two in a row at home when they play Maryville.

White City, leading Mercer and Pocahontas by one full game, will play the Braves in Pocahontas, while Troy and Collinsville, tied at 1-1 with the Hearts in the Red Division, will look up in a single game at Fletcher Field in Collinsville.

McAtee's Glass of East St. Louis and Carpenter, two winless teams in the Blue loop, will round out Sunday's schedule with a contest at Carpenter. All of the league action begins at 2:30 p.m.

Mercer will have to do without the services of three regulars, including Fletcher Andy Angeloff, who are competing in a Detroit bowling tournament. Either Jack Buente or Dick Fortell will start for Ollie Miller. Neither is a pitcher of record in the young season.

Heart Pilot Lyman Tucker can choose between Danny (0-1) Narrup or Sam (1-0) Gossett, with Gossett likely to play the starter's role.

#### Win Fourth Meet In Edwardsville

The ninth, grade track and field squad from Coolidge Junior high school picked up its fourth win in five dual and triangular meets this spring Monday afternoon in Edwardsville.

Frank Kraus' Braves piled up 59 points by capturing first places in four events and second in nine. Host Edwardsville, JHS was second with 37 points and Roxana third with 33.

Coolidge winners were Bob Pyle in the 220, Elton Hall in the 880, Mike Rousseau in the junior discus and Ron Yates and Gary Thornberry, tied for first in the hurdle event.

Roxana edged Edwardsville 55-52 in a simultaneous eighth grade meet, with Coolidge third with 18 1/2 points. Mike Mounce ran first in the 440 for the Little Braves' only win.

### Rolloffs Set For May 20

"The Falstaffs from Alton Bowl Haven will seek to add financial returns to their prestige when the Southern Illinois Bowling Proprietors Association Traveling Classic league holds its \$800 post-season rolloff at the Plaza Bowl in Belleville Saturday, May 20, beginning at 6:30 p.m.

The Falstaffs, who won the league title for the third straight season, will shoot nine games along with the three other top teams in the loop—Granite City's Bowland Schlitz five, Revere Room Club of Collinsville and Black Label Beer of Belleville.

Each team will shoot three games against the other rivals in the round robin, with four prizes of \$300, \$250, \$165 and \$105 to be determined by rolloff post-loss records.

Black Label edged into the rolloffs by beating Ripley Pins of O'Fallon 2-1 in a special set after the two teams had finished the regular season in a tie for fourth place.

The regular season was completed last Saturday night at the Cahokia Bowl. High mark for the season was a 211 average by Ray Orr of the Falstaffs.

The final regular season standings, including won-lost records, team averages and the special three-game rolloff between Black Label and Ripley Pins:

Falstaff 61 1/2-34 1/2, 986; Bowland Schlitz 55 1/2-41 1/2, 978; Revere Room 51-45, 969; Black Label 52-47, 971; Ripley Pins 51-48, 971; Rusty's 45-51, 961; Loman's Bowlers Shop 40 1/2-53 1/2, 951; and Pepsi-Cola 32 1/2-63 1/2, 938.

## Free Madison City Auto Tags Being Issued

Insurance of Madison city auto and truck licenses for the 1961-62 fiscal year is being started this week, with the fee again waived.

Madison residents must bring their state vehicle identification cards at the time of obtaining their new city licenses. City Comptroller E. J. Miller explained.

Licenses applied for during the first two months of the fiscal year, or later if within ten days of purchasing a vehicle, are is-

sued without charge. After July 1, the regular cost of \$3 for autos and \$5 for trucks is resumed each year. Obtaining of city licenses is required to avoid arrest, even though there is no charge.

The waiver has been in effect in Madison since the city began levying a half-cent city sales tax.

**SUMMER SCHEDULE AT CHRISTIAN CHURCH**

The Central Christian Church announced that the summer schedule will begin Sunday May 7, when two Sunday morning worship services will be held.

The first service will begin at 10:15 a.m. and the second at 11:15 a.m. The main entrance doors leading from the parking lot into the fellowship hall will be closed and locked after the first service begins and until the service is over.

Late-comers and those coming early to church school are being requested to use the east entrances to the church. At 9:30 a.m. the regular church school will be held and at 10:40 a.m. the second morning worship service. This schedule will be maintained during the summer.

## Venice Licenses Placed On Sale

City auto and truck licenses, delivery licenses and dog licenses are being placed on sale this week at the Venice city hall, it was announced by City Clerk Carl E. Byrnes.

Auto and truck licenses for Venice residents cost \$3, and dog licenses are \$1. These and delivery licenses, which vary in amount, are available at the comptroller's office for the 1961-62 year beginning this month.

## Old Auto Catches Fire

An old auto no longer having wheels, parked in the yard of the Marsala residence, 1803 Collinsville avenue, caught fire on the interior at 12:30 p.m. Tuesday, apparently from children playing in the neighborhood.

Madison firemen, who extinguished the blaze, said the car was towed away and no damage estimate was made.

## Minor Accident

Involved in an accident Monday night in the 2200 block of Washington avenue were autos of Clarence A. Faulkner, 25, of Headquarters Co., Granite City Engineer Depot, who was driving north, and John Elms, 2241 Washington avenue. The Elms car was parked in front of his home. Faulkner told police he was forced to swerve when a car in front of him stopped suddenly.

**VISIT IN JACKSONVILLE**

Sales brochures and a pamphlet, "How to Buy Surplus Personal Property," may be obtained by contacting the Consolidated Surplus Sales Office, at the depot.

### Kiwanis Complete Street Sign Job; To Buy More

All Mitchell street signs have been installed, Lee Paul, chairman of the committee, told the Mitchell Kiwanis Club at a meeting Monday night. The club erected 112 signs on 28 posts.

Erection of the reflector-type signs was completed Saturday. Additional signs and posts will be purchased and installed when streets currently under construction are completed, it was reported.

The club also voted to obtain insurance to cover all youngsters while playing in the Kiwanis baseball league this summer.

Nine members were present at the meeting presided over by Thomas Smith, president.

# Lutheran Pastors Hold District Meeting Here

St. John Lutheran Church, St. Clair avenue at Dale, was the scene of a conference of pastors Tuesday and Wednesday.

Some 15 pastors of the Western District of the Synod of Evangelical Lutheran Churches came from as far north as Minneapolis, Minn., and from as far west as Shamrock, Tex., for the two-day sessions. Pastor Samuel Boda served as host pastor to the conference.

The ministers met for a study of Holy Scriptures each morning, then took up Synodical matters and practice of Church problems in the afternoon. Tuesday evening a Holy Communion service was held at which Pastor Luther J. Bajak, of the host congregation, preached. His text was 1 Kings 19: 4-8, "Under The Juniper Tree." Rev. Boda led the congregation in worship and administered the Sacrament with the assistance of Pastor Bajak to members of the church as well as the visiting pastors. The senior choir, accompanied by Mrs. J. C. Cell, sang two Bach chorales and supplied background music for the Holy Sacrament.

After the service, refreshments were served in the fellowship hall by the Married Couples Class. During the conference members of the Women's Service Guild, the Ladies Aid, and the Married Couples served meals to the guests at the church.

Those in charge of the committees were Mrs. Esther Papp and Mrs. Geraldine Pool. The visiting pastors and their wives were housed at the homes of the church members. Greeting the visitors on behalf of the congregation was Joseph C. Cell, chairman.

At the close of the conference, the Student Welfare Board of the SELC met at the church. Rev. Boda is secretary of the board which offers support, guidance and counseling to students preparing for the preaching and teaching ministries with the Synod.

# May Trim School Bus Routes; Cite Furniture Savings

Economy is receiving attention in two current programs of the Granite City school district, dealing with bus transportation and classroom seating.

Dr. Harold M. Kaiser, superintendent, and Victor G. Anderson, administrative assistant in charge of business, have been commended by Board Secretary George Eubanks for "foresight in buying during the slack season" in meeting pupil desk and chair needs for 1961-62. Savings of approximately \$1000 are cited by members of the school board.

A 92-cents-per-unit reduction in cost since 1958 despite general price increases since then—lower chair costs from \$6.10 to \$3.18 for the identical product—was noticed in extending a contract valid in December based on competitive bids received in November. The board later decided to expand the quantity to equip 10 classrooms being built this spring and summer, since the December action was intended for summer 1961 delivery and billing.

Bids were requested last fall on the theory that winter and early spring are slack seasons in the classroom seating industry and that, as a result, more favorable pricing might be obtained at such time," Anderson says. The Buxton-Skinner Co. is to provide 629 student desks and 838 student chairs at a total cost of \$8903. They will be used in the Maryville, Wilson, Nameoki, Lake, Mitchell, Stallings, Emerson, Washington and Nieringhaus grade schools, Central Junior High, Granite City high school and the high school cafeteria, with desk sizes ranging from 21 to 29 inches and chair sizes from 11 to 18 inches.

To Survey Routes  
At the suggestion of Board Member Homer Huber, the board has asked the administrative staff to determine whether any present bus routes can be eliminated while still complying with the minimum state requirements. Huber says curtailment of some of the bus service has been discussed for some time and that it is possible under the existing contract with the Community Coach Co. The contract sets rates for routes provided, but allows for addition or deletion of routes.

In board discussions, emphasis has been placed on high school bus routes, on the theory that older students are better able to make the trip to school. State law requires bus service to be provided for pupils residing a mile and a half or farther from existing public transportation.

While discussing the bus routes, Board President Robert Spengler has called attention to differences in property tax assessment between sections of Nameoki and Granite City townships within the Granite City school district, describing them as an "inequity" among taxpayers.

Board Member Herbert Bischoff disagrees, replying that he knows of some Nameoki township residents who "do not feel this is the case."

Only adverse effect of transportation curtailment cited in board discussion, other than the reduced service to pupils, is that there would be some reduction in the district's income from state aid for transportation.

# Madison City Council Committee Appointed

Standing committees for 1961-62 were appointed and approved during the Madison city council meeting Tuesday night.

The committees, with names of chairmen given first, appointed by Mayor Stephen Maers are as follows:

## Wide Variety of Displays At Scout Fair Friday, Saturday

Everything from a "blacksmith shop" to model trains, "scuba" diving, auto mechanics and Indian dances will be featured at the 1961 Scouting Fair of the Cahokia Mound Boy Scout Council, opening tomorrow evening in Venice.

The buildings, tents and adjacent streets will be decorated festively for the fair, which will be held from 7 p. m. to 10 p. m. Friday and from 1 p. m. to 10 p. m. Saturday. Location will be the American Legion home, Boy Scout home, Venice school and nearby grounds in the 700 block of Broadway.

Many small tents are to be set up, with other displays and demonstrations inside the buildings. In all, there will be about 80 booths and tents, including 40 from the Univak district—15 by local cub packs, 18 by scout troops and seven by explore posts.

### Racing Of Derby Cars

Floyd Mitchell is general chairman of the fair, and John Slay heads the committee for a "pinewood" derby, in which units and individuals will compete during the fair with miniature racing cars built by the boys.

Crowds of as many as 10,000 persons have attended past fairs, and another turnout numbering in the thousands is anticipated. This is likely to be the last such fair held on an annual basis, changing to alternate years with the next in 1963, has been proposed.

A list of the Quad-City entries follows:

Carving, Craft, Club Fun

This sale consists of electronic equipment components, generators, generator sets, dynamometers, motor, telephone sets, transmitter tuning units, etc., acquired at a cost of \$702,000.

Inspection of this property will be between the hours of 10 a. m. to 3 p. m. to 10 a. m. May 17, exclusive of Saturdays, Sundays, and holidays. Arrangements for inspection may be made by contacting the property disposal officer at the location of the property.

Sales brochures may be obtained by contacting the Consolidated Surplus Sales Office, Granite City Engineer Depot.

### Annual Madison School Picnic Is Saturday

The annual picnic for students of Madison public schools will be held Saturday at "Fun Fair," an amusement park near the Chain of Rocks river bridge on the Missouri side, Madison Sup. of Schools Wensel Brown said today.

Buses will leave Harris, Louis Baer, Dunbar and Blair grade school at 9 and 10 a. m. and transport students to the picnic, and another bus will make a noon run to the school to pick up late riders. Brown said high school and junior high school students will board buses at the grade school nearest their homes.

Students and younger children are provided transportation free of charge; the adult charge is 25 cents for the round trip. Buses will return from the picnic grounds at 4 and 5 p. m.

### Traffic Signal Charge

A charge of failing to observe a stop signal at Nameoki road and Madison avenue was filed on an arrest ticket issued Monday to David Smith, 24, of 2027 Fourteenth street. He posted his driver's license as bond.

**WELCOME WAGON** hostess, Mrs. Luke Wisnisk (right), extending welcome to Mrs. Nicholas Brink, who recently moved into her home at 18 Miami court here, Mrs. Brink, whose husband is plant manager at A. O. Smith Corp., received gifts from merchants in basket being presented by Ms. Wisnisk. The club welcomes new residents and brides-to-be.

### Welcome Wagon Club To Be Organized Tuesday

Mrs. Luke Wisnisk and Mrs. Paul Staydubar have been greeting new residents and brides-to-be for some time and they will hitch their talents to the local Welcome Wagon Club, to be officially organized at a meeting Tuesday.

Wearing smiles and bearing gifts from local merchants, the two greeters call on an average of 10 newcomers and prospective brides per week in an effort to acquaint them with the Quad-Cities.

According to Mrs. Wisnisk, the purpose is to orient newcomers to all aspects of the community and to bring them together in a social organization.

Although the two women are salaried hostesses, employed by the national Welcome Wagon group, their jobs are undertaken with a sincere desire to help.

Their duties, when the organization is formed, will be expanded to help schedule social activities and map civic projects in addition to extending welcomes. At the organization meeting, officers will be elected, but members will participate only in social roles. Mrs. Wisnisk expects more than 75 members will be enrolled into the club, pointing to the need for such a group.

She, along with Mrs. Staydubar, will handle all welcome calls, and will invite new comers to join the club. The women, who completed 10-day courses last summer in New York and Chicago at charm schools, receive names of local prospects from the national group and from local sources. Informal interviews to newcomers covers a scope from types of organizations to the price of butter.

Socially, the local club, after it is formed, is to hold pot luck suppers, golf lessons, and bridge games, picnics and a military course.

The man who sets a bad example never knows what will hatch.

## 2 From GC District On Reading Council Board

Two Granite City school employees are serving as members of the board of directors of the Madison-St. Clair Counties Reading Council of the International Reading Association. It was announced Monday by Dr. Robert Steinkeller, the council's president.

The two-county reading organization is nearing the end of its first year of operation and has a membership of 70.

New officers include: president, Ann McLean, director of the Reading Clinic at Belleville Junior College; president-elect, Aaron Peterson, assistant principal and director of the Controlled Reading Program at McKinley school, Alton; and secretary-treasurer, Ruth Helligstein, teacher of intermediate and remedial reading at Signal Hill school, East St. Louis.

Board members include Earl Lee, administrative assistant in the Granite City community district, and Miss Virginia Segar, elementary supervisor of remedial reading.

Dr. Steinkeller, assistant professor of education at SIU's East St. Louis center, will attend the sixth annual conference of the International Reading Association today and tomorrow in St. Louis.

## City Bills, Half-Month Salaries Total \$44,724

Prior to the reorganization of the Granite City council Monday night, the old council approved bills and half-month salaries totaling \$44,724 for the city and \$4319 for the township.

The bill list, 3 1/2 pages long for a week, included a number of expense allowances. Of the \$44,724 total, \$35,031 was for salaries for the first half of May and \$9,693 for current bills. Of which \$1174 was for fuel, maintenance and fuel for city equipment.

**\$3029 For Retirement**  
Among the bill payments were \$3029 to Illinois Municipal Retirement Fund as the city's share of 8.92% of the payroll for April; \$1462 to Illinois for electric service to the city hall, fire stations, garage, library and sewer lift stations; \$7 for electric service to the animal shelter, \$2 for civil defense electricity and \$1209 for relief.

Other bills paid were \$100 to Clinical Laboratories for an autopsy for Fire Captain C. Murphy; \$385 to Fleishman's for police uniforms; \$63 to Grand

Cafe for \$4 meals served to city employees; \$1339 to Tri-City Printing Co. for inspection reports, specimen and official ballots; \$1000 for school area sewer notices.

The city paid \$25 to reimburse the petty cash fund for rental of tables and chairs for the election, a picture frame for the mayor's office, postage stamp for the clerk of the city court, six pens, 500 post cards and to buy a table from the Engineer's Depot.

**Expense Allowances**  
Expense allowances on the bill list were \$120 paid to Alderman Charles Meyer for expenses January through April; \$30 to Alderman Paul Rutledge for April; \$120 to Alderman Arthur Wieser for expenses January through April; \$145 paid to Mayor Davis for expenses; \$7 for electric service to the city hall, fire stations, garage, library and sewer lift stations; \$7 for electric service to the animal shelter, \$2 for civil defense electricity and \$1209 for relief.

Other bills paid were \$100 to Clinical Laboratories for an autopsy for Fire Captain C. Murphy; \$385 to Fleishman's for police uniforms; \$63 to Grand

## State Industrial Arts Exhibition May 11-13

Twenty-six local projects winning recognition at the annual regional Industrial Education exhibit last weekend at Southern Illinois University, Carbondale, will advance to a state exhibition May 11-13 at Illinois State Normal University, Normal.

Granite City and East St. Louis were among top-ranking districts in the crafts and metal divisions, while Salem students took most awards in woodwork.

Entries were judged at four levels of experience in 13 categories. Placings were outstanding (first), superior (second) and honorable mention (third), all of which advance to the state. Other projects received recognition certificates.

More than 450 junior high and senior high projects were entered, and local winners totaled 16 for Granite City high school, six at Coolidge Junior high and two at Prather Junior high.

A project regarded as one of the most exceptional entries was a bending brake prepared by a team of GCIS machine shop students. The group worked without the aid of jigs, fixtures or templates, instead using a jig, bore and vertical mill on sections requiring matched parts.

Some parts of the brake were longer than the traverse of the milling machine employed, necessitating milling halfway, turning and realigning with dial indicators before milling the other half.

Calibrations on guide bars at the rear of the brake were obtained by clamping the bars on the mill and mounting a pointer tool bit in the mill spindle, which remained fixed. Dials on the traverse table and cross feed gave the required spacing as the bit cut into the bars.

The numbers were stamped with number punches, and adjustment screws were made on lathe by beginning shop students. Plans for the brake were made by the vocational drafting department.

Harold Karandjeff, president, was in charge of the business session. Thirty members and seven guests from the Edwardsville club attended.

**Motorist In Crash Pleads Innocent To 3 Charges**  
A motorist involved in an accident at 16th and State streets about 9 p. m. Monday pleaded innocent to three charges when he appeared before Police Magistrate Gasparovic on Tuesday.

He was John Kelley, 53, of 1038 Logan street, Madison, whose bond was set at \$350 for a hearing May 17. He was charged with failure to yield right-of-way, reckless driving and destruction of private property — about 60 feet of fence belonging to Tri-City Grocery Co.

Police said Kelley was driving an auto east on 16th street and was involved in a collision with an auto being driven north on State street by Walter N. Beck, 54, of St. Louis.

After the collision, police said, Kelley's car went about a half block and crashed into the fence. No injuries were listed.

**Fined \$25 On 3 Counts**  
John W. Ruzickia, 41, of Affton, Mo., who was arrested at Niedringhaus avenue and State street Monday evening on charges of drunkenness, profanity and creating a disturbance, was fined a total of \$25 and cost on Tuesday when he appeared before Police Magistrate Gasparovic and pleaded guilty.

## Police Apprehend Young Boys Stealing Chickens

Granite City police apprehended several young boys who were taking chickens from a pen in the 2100 block alley between Delmar and Edison avenues Monday night.

The boys were taken home to their parents who were instructed to have them appear in the Coordinated Youth Services office on Tuesday. The chickens were returned to the owner, whose name was not listed on the report.

### Micro Track Opening Postponed To May 14

Opening races at the Chain of Rocks Micro-Midget Speedway are now set for Sunday, May 14, at 2 p.m., a spokesman for the racing association said this week. The racing season is being delayed because specially-built engines for a number of the machines have not yet arrived from Germany.

Later in the summer, the track will switch to night races on Sundays, and on June 24 will host afternoon and evening races to determine the Illinois state Micro-Midget championship.

Michigan State University has started an African Language and Area Center, where African language are taught.

### Manager Sought For Little League Team

Wanted: a manager for a minor league team in the National Little League. Little League President Ron Hoyer said today that Monday is the deadline for finding a manager for the squad or the team must be disbanded and the minor league will compete with only five entries this season. Hoyer said the squad has two coaches, but because of working hours neither will be able to devote full time to the team. Prospective managers residing in the Nameoki area who are interested in working with boys between eight and 12 years of age should call Hoyer at his home.

The minor league season will open the third week in May.

### Alton Easily Wins Madison County Track Meet; 3 Records Established

Competing without three of its top performers, Alton high school's track and field team nevertheless made a runaway out of the Madison county track meet Tuesday afternoon in Alton, more than doubling the score on the second-place team. The Redbirds won five events in scoring 100 points, and were followed by Edwardsville with 56, Wood River 41, Roxana 40, Collinsville 19, Western Military Academy 9, Granite City 5, Madison 3, Bethalto 2 and Triad 1. Highland failed to place.

Three new meet records were established. As expected, Alton's mile relay foursome broke its own mark of 3:24, being clocked in 3:20.8. Edwardsville's Tony Penitton also cracked his own record in the high jump by clearing the bar at 6-2, one-quarter of an inch higher than he went last spring. The oldest mark shattered was in the 440-yard run, where Edwardsville's Ken Connors was a second below the 1955 standard. B. B. Gater, Alton's hard-tough state dash champion, pulled a leg muscle last week in the Alton invitational and was not able to compete in his specialties, where records would have been in danger had he run. Ron Ayres of Alton grabbed both the 100-

### Edwards Resigns At Litchfield

Former Granite Cityan Bill Edwards, head basketball coach at Litchfield high school for the past five years, has resigned that position effective at the end of the current school year to accept a similar post at Lenox, Ill.

Edwards' teams, familiar to local fans through their participation in regional and sectional tournaments, compiled a 50-50 record under the direction of the 33-year-old coach, whose parents, Mr. and Mrs. Charles C. Edwards, reside at 2611 Jorden avenue.

His 1960-61 club lost only four times — each time to the state champion Collinsville Kahoks — and were Midstate conference champions for the past two years. Madison defeated the Panthers in the 1959 sectional final.

Edwards also coached baseball at Litchfield, and the Panthers made it as far as the state tournament semifinals last season.

### Coolidge Takes 9 Firsts, Defeats Prather 67-37

Coolidge junior high school representatives took nine of 12 first places Tuesday at the Granite City high school athletic field in handling Prather JHS a 67-37 loss in a dual meet.

Coolidge's Ron Selph was the meet's only double winner, finishing first in the shot put and discus. The Braves Wayne Back turned in the top performance of the afternoon when he cleared the high jump bar at 5-8.

The results:  
Low hurdles — Yates (C), 1:05; 880-yard run — Hall (C), 2:18.3; 50-yard dash — Parker (C), :05.9; 100-yard dash — Thebeau (P), :11.1; 440-yard run — Griev (C), :30.5; 220-yard dash — Pyle (C), :25.6; 880-yard relay — Coolidge, 1:43.0.

Shot put — Selph (C), 47-10; discus — Selph (C), 106-0; pole vault — Winn (P), 8-0; high jump — Back (C), 5-8; broad jump — Waylask (P), 17-2.

# City Considers Phone Co. Request For Excavation

An excavation permit sought by Southwestern Bell Telephone Co. was referred to the Street Committee and superintendent of streets during Monday night's Granite City council session.

The utility plans to install 100 feet of cable in the alley off Benton street between Indiana and Idaho avenues.

# Madison Permits List Additions, Repair Projects

Renovations and additions accounted for the bulk of the building permits in Madison during April, a monthly report showed today. The month's six permits listed construction work totaling \$4630.

Among these were a \$1500 permit to the Markly Plumbing and Heating Co. to repair a building for storage purposes and install a new fence at 924 Grand avenue, and a \$500 permit to St. Mary's Catholic Church, Tenth street and Lee avenue, for minor repairs and installation of an asphalt.

Wendell McIlroy will add a 16x12-foot kitchen to a home at 1853 Edwardsville road at a cost of \$1200, and William Blakeburn, 2504 McCasland avenue, will construct a 24x24-foot concrete block garage costing \$800.

Others obtaining permits were William Hlava, a five-foot cyclone fence and re-siding of a garage at 1519-21 Market street, \$850; and Orl Blumensoble, construction of a carport at 168 Market street, \$200.

**Speeding Charges**  
Speeding charges were filed by Venice police Monday afternoon against William R. Baucum, 1424 Mo., on Broadway and O. T. Barnett, 549 Mercedita street, Venice, on Klein street. Baucum forfeited \$15 cash bond at a hearing that evening and Barnett left his driver's license until a hearing tonight.

# Crashes, Injuries, Fatalities Top All Previous Aprils

Fatalities in the first four weeks of April brought that month's toll to six, a monthly arrearage review showed today. These six deaths, the 142 accidents and the 69 injuries all were the highest ever recorded here in an April.

Through the first four months, there had been 273 deaths, 1444 persons hurt and 10 persons killed, compared to 568, 231 and three at a similar time last year.

Never before have so many traffic injuries occurred here in the first third of a year. However, the first third of 1957 saw 582 accidents and 14 fatalities.

Previous Severe Months  
Six deaths in a single month have occurred before in December 1956 and February 1954.

There were seven fatalities in August 1960 and September 1954; eight in August 1954 and June 1953; and nine in December 1954.

The past month's victims were Willie Lowe Jr., 39, St. Louis, passenger in an auto that left Route 674 at the sweeping curve south of Madison April 2; Victor Lee Griffin, 29, of 118 Braroliff, passenger in a car that collided with a brick building at 204 Madison avenue, Madison, April 3; George O. Burnett, 41, of 2208 Wilson avenue, and Pvt. Joseph K. Chavez, 21, Engineer Depot, drivers of cars that collided head-on in the 1500 block of Edwardsville road April 15; Lyle S. Hannah, 37, of 3209 Rodgers avenue, driver of an auto that left a highway ten miles south of Festus, Mo., April 15, who

**Ahead Of Past Injury Rates**  
At the present rates, the year would end with 1719 crashes, 747 hurt and 30 killed — none records but reflecting a generally severe year. In 1960, when there were a record 1731 accidents and a record 805 injuries, the death toll was 19. The peak of 44 fatalities dates back to 1954.

Injuries currently are 18 ahead of the record pace last year, when there was an upturn toward the end of the year. The current monthly Quadrant averages are 143 accidents, 62 injuries and two and a half deaths. On a daily basis, the figures are five crashes, two hurt and one-twelfth fatality.

# Board Falls, Breaking Two Toes Of 11-Year-Old Boy

Thomas Merchant, 11, son of Mr. and Mrs. George Merchant, 2008 Beckwith avenue, Madison, sustained two broken toes when a heavy board he was lifting slipped from his hands and fell on his left foot at 7 p.m. Monday. X-rays were taken at St. Elizabeth Hospital and a cast was applied. He was released.

Ronald Cardin, three-year-old son of Mr. and Mrs. William Cardin, 2003 Sken street, fell on a sidewalk suffering a cut above his left eye. Four stitches were taken at 7 p.m. Monday and he was released from the hospital.

# 4 Fire Alarms In GC Monday—\$315 Damage

Damage was set at \$300 to a 1959 auto which caught fire about 2:45 p.m. Monday at St. Clair and Myrtle avenues. Firemen from the main station said the blaze was caused by a short circuit in the ignition system. They listed the owner as Eunice Lunon, 2613 Saratoga avenue.

Earlier Monday, at 1 p.m., firemen went to the 3907 Kirkpatrick Homes where a short circuit in a kitchen wall switch caused about \$15 damage. Firemen said the apartment was occupied by Shirley Carlton.

Two alarms were received about 7:40 p.m. Monday, when West Granite firemen went to 22nd street and railroad tracks where a pile of ties touched off a junk automobile. The loss was listed as unknown.

At the same time, main station firemen went to National Lead Co. dump, 16th street and Edison avenue, to extinguish a blaze which had broken out. Firemen had been there earlier at about 12:30 p.m. because of the scrap blaze. No loss was reported.

# Parking Meter Receipts Total \$3345 During April

Granite City's parking meter receipts during April totaled \$3345, for an average income of \$133.82 a day for each day the meters were in operation.

While the total income was below those of February and March, the daily average was second highest of the year, topped only by the \$145.94 daily income in February.

Income from meters for the four-month period amounts to \$13,179, as compared to \$13,571 for the same four months in 1960. The April receipts included \$1337 collected from meters and \$188 from fines.

So far this year, the daily income averages have been \$117.23 in January, \$145.94 in February, \$125.87 in March and \$133.82 in April.

## Repairs To Madison Ave. Excavations Will Cost \$534

A contract for repairs to excavations on Madison avenue at 25th street was awarded Monday night to Holland Asphalt Paving Co. by Granite City council members. The repair job is to cost \$534.

Alderman Samuel Whitmer, chairman of the Street committee, said the work had been authorized a number of months ago, and the firm is to remove about 10 inches of fill in the excavation and will replace it with eight inches of concrete and two inches of hot asphalt.

Whitmer explained the city made temporary repairs after installing a manhole in the middle of the street with connections to catch basins last year.

### \$60 Rent For Storage

The Street committee chairman also reported to the council that Lybarger Material Co. has requested \$60 a month rent from the city for storage of cinders and other supplies on its property at Niedringhaus avenue and Adams street.

"I don't think we should pay it," Whitmer said, and he advised the council the city's materials are to be moved to a new location by the superintendent of the streets by the end of the month. He added that a suitable location has yet to be found.

Mayor Davis said he had talked to officials of the firm who plan to expand their concrete plant at the site and will soon be erecting a warehouse. A suggestion was made by

## Safety Council Providing Data For Poster Contest

Displays of reference materials, to provide ideas in the Quad-Cities Safety Council's poster contest currently in progress, will be on exhibit at the Chamber of Commerce office, 1930 Edison avenue, and Washington Theatre lobby, early next week, according to George E. Odum, chairman.

Odum reminds prospective contestants that less than four weeks remain to enter the contest which is designed to stimulate interest in "Safety Week" here from May 28 to June 2.

Posters must be submitted by 5 p.m. on May 25 at the C. of C. office.

The contest is open to all local grade, junior high and senior high school students. Posters will be displayed in windows of local business places.

Each artwork, Odum stressed, must be 22x28 inches in size and must be on posterboard. Built-up areas may be used on the surface, but cannot exceed two inches, and if chalk, charcoal, pastels or similar materials are used, a fixative should be applied, he said.

Judging will be conducted in three age groups. They consist of "A" for youngsters in first through fifth grades; "B" for

Alderman Donald Partney that if a suitable storage place cannot be found, "We have a lot of things in the Fourth Ward where they can be stored."

pupils in sixth to ninth grades and "C" for students in 10th through 12th grades. Grand prize will be \$50, with first, second and third place prizes of \$15, \$10 and \$5 to be awarded in each of three grade groups.

Contest rules are available at the C. of C. office or theatre lobby.

## \*SOCIETY\* UPW Give Mother-Son Banquet, 138 In Attendance

A mother-son banquet was given Tuesday evening at First United Presbyterian Church, 22nd street and Delmar avenue, by the United Presbyterian Women of the church.

The tables were decorated with tulips, iris, and other spring blossoms and 138 members and their guests were seated.

The program opened with the devotional service led by Mrs. Roswell Kleinachmidt. Miss Norma Schlobohm, the recently installed director of Christian education, served as mistress of ceremonies and led group singing.

Mrs. George Holtzsch, UPW president, was introduced and after welcoming the guest read a poem entitled "What Are Little Boys Made Of."

Entertainment included several selections by the Rhega bell ringers, a boys choir from Knox Presbyterian Church in St. Louis, directed by Mrs. R. J. Marlow, who gave a history of the bells, and an act by Louis Ringering, an Alton ventriloquist.

Mrs. R. E. Chapman presented several gifts. They were awarded to Mrs. Ada Bowen, the eldest mother present; Mrs. John Lemon, the youngest mother; Mrs. Marlow, the mother with a birthday nearest May 1; and Mrs. Cleo Evans, the mother with the most sons present. The meeting came to a close with the Mizpah benediction by the group.

**DE MOLAY MOTHERS ENROLL MEMBER**

The DeMolay Mothers Club met Tuesday evening at the Masonic Temple with Mrs. Albert Walker, vice-president, in charge.

Mrs. Doris Labovay, a new member, was welcomed and games were enjoyed by the group with prizes going to the winners.

The hostesses, Mrs. Marabeth McConnell, Mrs. Fern Sifton and Mrs. Irene Davies, served refreshments to 19 members.

**OWS WILL HONOR MOTHERS AND SISTERS**

New Hope Chapter 432, Order of Eastern Star, will honor mothers and sisters of the chapter at a meeting at 8 p.m. Friday at the Masonic Temple. There will also be an initiation of members at the meeting.

## Church Women Council To Hear Discussion On Russia

More than 200 reservations have been made for the spring luncheon of the Quad-City Council of Church Women to be held at 12:30 p.m. Saturday at First Presbyterian Church, 22nd street and Delmar avenue.

Mrs. Paul Surbey, president of the Council, will preside and the speaker of the day will be Rev. Edwin Grant, pastor of the Wood River Methodist Church, a recent visitor to Russia, who will discuss the churches here as compared to churches in Russia. His topic will be "The Churches Free and Responsible."

Deviations will be led by Rev. David B. Maxton of the local church and special music will be furnished by John Lomon, soloist. Mrs. Henry Willard will speak on "The Church Woman," a church publication, and officers are to be installed by Rev. Paul Evans, president of the Tri-City Ministerial Association.

There also will be talks by Mrs. Richard Oliver and Mrs. Craig Dillman, chairmen of the World Community Day and the World Day of Prayer meetings.

## Gideon Society, Auxiliary Meet

The Gideon Society and Auxiliary were entertained Monday evening in the home of Mr. and Mrs. Hugh Foster, 2650 East 24th street.

Deviations were given by Rev. LeRoy Pittman, pastor of the Namokel Methodist Church, and separate business sessions were conducted by the Mrs. Foster and A. L. Frazier.

Those present were Mr. and Mrs. William Harris, Mr. and Mrs. Arthur Beile, Mr. and Mrs. Charles Reimers, A. L. Frazier and A. L. Hagler of the two groups and three guests, Mrs. Roy Compton and Mr. and Mrs. James Williams Jr.

## Bridge-Brunch Held Here Monday

## St. Peter Church Evening Guild Plans Events

The meditation Monday evening at a meeting of the Evening Guild of St. Peter Evangelical and Reformed Church, 21st street and Cleveland blvd., was "To Fulfill Thy Purpose" with quiet music by the Chorales, accompanied at the piano by Mrs. Carol Merz.

Field at the church, the meeting opened with prayer by Mrs. Marguerite Bergner, president. The theme of the program was "So On Earth Thy Will Be Done" and devotions were led by Mrs. Doris Anderson, assisted by Mrs. Bernger and Mrs. Marion Kries.

Mrs. Connie Kraus and Mrs. Rosemary Kaburek were new members enrolled; and Miss Clara Hoelscher and Mrs. Rosalia Bunte, who represented the Guild, gave detailed reports of the Regional meeting held at St. Peter's Church on April 19.

A tour of the Good Samaritan Home in St. Louis was set for June 4 and the members who plan to attend were requested to meet at the church at 1:30 p.m.

Gifts for the Holyoite Home, including clothing, linens and personal articles, were collected at the meeting; and announcement was made of the 12:30 luncheon to be held at First United Presbyterian Church on May 5 under the auspices of the Quad-City Council of Church Women.

After the business hour, refreshments were served from tables decorated with bouquets of yellow tulips and lilacs.

Mrs. Helen Todd, chairman of the hospitality committee, was assisted by Mrs. Laura Taylor, Mrs. Anna Lois Teaney, Mrs. Nina Volkmar and Mrs. Carol Venne. Approximately 40 members attended.

## OES 650 Past Matrons Honor Mrs. Lida Theis

Mrs. T. W. Kelsa, 2519 Cleveland blvd., entertained the Past Matrons Club of Granite Chapter 650, Order of Eastern Star, at a meeting in her home Monday evening.

Mrs. Hannah Kleinschmidt, president, conducted a business session and Mrs. Lida Theis, who has just completed her term as Job's Daughters' Grand Guardian, was presented with a special gift from the club.

Prizes were awarded to Mrs. Blanche Leuchter, Mrs. Clara Harbig and Mrs. Laura Reimers and refreshments were served by the hostess to 13 members.

The next meeting of the group will be held Saturday, June 3 at 1 p.m. in the home of Mrs. Reimers, 3333 Johnson road, with Mrs. Helen Koenig of Collinsville as hostess.

## SORORITY PLEDGE

Miss Mary G. Layloff of Madison has been pledged to Sigma Kappa social sorority at Eastern Illinois University in Charleston, according to Dr. Elizabeth K. Lawson, dean of women.

A picnic June 2 at Lockhaven Country Club in Alton will end the activities of the group for the season.

### Branch Bank Proposal Offers

#### No Advantages To Quad-Cityans

It seems clear that branch banking, currently the subject of a bitter battle in Springfield, offers no advantages to Quad-Cityans. And, viewed statewide, there is grave danger that "branching" can do more harm than good in those sections of Illinois where some semblance of a case might be made for it. Failure or sale of small banks certainly would work against the public interest.

Claims of 72% public support in the state and 91% support here in Madison county can be substantially discounted. Such polls are never able to reduce a matter as complex as branch banking to a few simple questions. This county seems to be getting particular attention because it has two members, Lloyd "Curly" Harris and Ralph Smith, on the banking committee.

What claims are made for branch banking? James Downs, chairman of the branch banking retention committee, says it would reduce out-of-state loans, retaining more loan interest within Illinois to aid this state's prosperity. He says more bank credit would be available and that this would help maintain and attract industry. State Rep. Paul J. Randolph, Chicago, the bill's chief sponsor, says there is a shortage of banks and that this boosts the cost of cashing checks and borrowing money. And Gaylord A. Freeman Jr., president of the huge First National Bank of Chicago, one of the principal backers, says big banks can offer citizens more in the way of credit, mortgages and special services, including foreign banking and bond departments.

Yet it is a fact that Chicago is a net exporter of bank loans, loaning more to outside firms than Chicago firms borrow elsewhere, the Illinois Bankers Association reports. It is also a fact that banks here and elsewhere, aided by correspondent banks, can accept or reject loans on the basis of whether they are a good or bad risk, not whether there is enough money available to loan. And the IBA says branch offices with absentee ownership are more costly to run than independent units, resulting in higher balance requirements and service charges, and that several large institutions urging branching only really have been bothering at all with consumer lending; they still do not make small mortgage loans.

We are not familiar with Chicago and its bank problems, but we wonder if they would be so acute if the banks already dominating its economy offered more services and established affiliate banks where needed. We agree with Donald Carlson, IBA head, that the argument of "too few banks" is a "horse and buggy" argument in this age of the automobile and banking by mail. It is only right that banks have stricter regulation than businesses generally, for they are risking other people's money, and bank failures mean business paralysis.

Under unit banking, new banks, buildings, facilities and services have been provided, the service and rates compare well with banks anywhere. In this connection, two reports from Washington are pertinent. The U. S. House Small Business Committee warns that "unit banking is practically dead" in the 11 states where branch banking is most prevalent. And a U. S. Senate subcommittee says, "Destruction of the American unit banking system . . . would have revolutionary effect upon our free enterprise system. Ultimately, monopolistic control of credit could entirely remodel our fundamental political and social institutions."

Everybody is an expert when it comes to making predictions.

### Miss Sheppard Elected By

#### Retail Clerks' Council

Election of Miss Hetty Sheppard to the executive board of Retail Clerks' District Council One of Southern Illinois is an honor for herself and the Quad-Cities.

The election to board membership recognizes her long service in guiding the fortunes of the Retail Clerks union in this area.

The only way to get anything done is to start doing it.

### Describes Mountain Climbing Experience

One of the world's most interesting and unusual hobbies—mountain climbing—was described to members of the Granite City Rotary Club Tuesday noon by Dan Todoroff, music director in the Granite City school system.

A devotee of the sport, Todoroff exhibited some of the "tools" for mountain climbing and explained their use. He also showed colored slides of climbs he has made in Mexico, where he reached the summit of twin peaks 17,000 and 18,000 feet high, known as the "Sleeping Lady" and the "Warrior."

Todoroff said he intends to return to Mexico this summer and tackle another of its famous mountains. Describing himself as a "snow and ice" man, he assured his audience that he was not one of the "human fly" type that scales perpendicular rock walls.

Eugene Alasid, who accompanied Todoroff on one of his Mexican trips, was program chairman. President Dean Maberry and Rev. David Maxton inducted two new club members, Raymond Huff and Henry Ross. This brings the total membership up to 59.

### Police Need Law On Intoxication

#### Tests To Curtail Drunken Driving

Local police chiefs' appeal for mandatory chemical tests of suspected drunken drivers should win the quick support of local residents and legislators. This year is a leading example of the tragedy of street and highway mishaps, with the fatality rate already seven ahead of the same period in 1960.

Intoxication is known to be one of the chief causes of traffic accidents. Yet, policemen's testimony that a motorist appeared to be drunk is insufficient to prosecute the individual or revoke his license, and may be unfair to him, since some types of illness resemble intoxication. Because there are tests that can show the exact level of alcohol in his body, it seems only logical—and fair—to write them into the law.

The growing practice in other states, as upheld by the courts, is to link implied consent for testing with the application for a driving license. If the police ask for a test and it is taken, the result can lead to conviction or exoneration. If the test is refused, there can be suspension of the license and then revocation after a hearing on whether the refusal was reasonable. We believe state action on the license after a test refusal and hearing request should be made mandatory rather than merely permissible in the final draft of the bill.

Police here feel that the testing requirement is essential for adequate enforcement of the law against drunken driving. Those interested in improved safety for themselves and their loved ones—an improvement badly needed judging by the 1961 traffic records—can aid this cause by urging passage of the proposal introduced at Springfield.

### Riverfront Highway May Allow

#### For Future Broadway Underpass

Preliminary planning for a Broadway auto traffic underpass is especially timely in view of preparations for the proposed Route 151, the Quad-Cities riverfront highway. Both the highway and some type of Broadway traffic separation are needed.

Improvements currently in progress on the McKinley Bridge, its Illinois and Missouri approaches and the Third street highway in St. Louis will solve most of the existing traffic problems. Only remaining bottleneck will be the Broadway crossing, where motorists often are delayed by freight and switch trains.

Route 151 will span this crossing, and discussions so far indicate that provision can be made to permit construction of an underpass at some future date. Unless allowance for this possibility is made now, a future underpass project probably would become too awkward or too costly. We look forward to prompt action to construct the riverfront roadway to the west of and partially through the Quad-Cities. And we hope that financing can be arranged later by the city, state and affected railroads for auto passage under the Broadway tracks.

### Three New Local Members

#### Of Madison County Board

Three Quad-Cityans are among the 12 new members of the Madison county Board of Supervisors, which has been expanded from 44 to 49 with the addition of members from Godfrey, Edwardsville, Collinsville and two from Alton. Joining the experienced county legislators from the Quad-Cities are Milton R. Allen and Robert O. Gaughan of Granite City township and Jay D. Maurer of Venice township.

The supervisor and assistant supervisor seats on the county board are important positions having a great effect on the welfare of the Quad-Cities and all of Madison county. We wish the new members well, and are confident of their desire to establish good records on the many challenging issues confronting the county. It has prospects of being a busy period for the County Board of Supervisors, with major attention likely to be given to the county's most pressing current need—zoning.

## Pleads Innocent To Reckless Driving Charge

A pleading of innocent was entered yesterday by H. E. Dennis, 30, of 2126 Washington avenue, to a charge of reckless driving. He also waived a preliminary hearing before Police Magistrate Gasparovic to a charge of leaving the scene of an accident and asked for a change of venue to the court of Justice of the Peace Harry Hartman on the reckless driving count. He was freed on \$750 property bond.

Dennis was taken into custody Sunday on a warrant filed by Assistant State's Atty. Burton Bernard following an accident last Saturday in which a three-year-old Venice girl, Margaret Ann Freise, was struck by an auto and injured critically in the 2100 block of Washington avenue. He was represented by an attorney during yesterday's appearance before the magistrate.

## Spring Concert Tonight By Madison Grade Band

An annual "spring concert" of the Madison grade school band will be presented at 8 o'clock tonight in the Madison junior high school gymnasium. William Ledbetter, band director, will conduct the concert.

Featured will be seven band selections and four numbers by student ensembles. A baritone horn quartet composed of Nola Barham, Tom Williams, Stephen Shipcoff and Don Kelley will play Foster's "Plantation Favorites"; Linda Rash, Janice Derner and Robert Robbins will form a clarinet trio to present Taylor's "The Air in Minuet"; "The Hunting Scene" by Smetana will be performed by a melophone quartet consisting of Barbara Shanks, Marianne Fisk, Olivia Hamilton and Vera Sabo; and a clarinet quartet, Jo Ann Maers, Sharon Sutton, Joyce Vandermarck and Sheila Othmanovic, will present "Four of a Kind" by Scaramelli.

The band will open the program with "March of Youth," "Fantasy for Band," "Remains selections by the band will be "Kentucky, 1800," folk songs of early Kentucky, "Impressions of a Scottish Air," "Prayer," from Humperdink's opera, "Hansel and Gretel," "Impressions of a Scottish Air," a symphonic setting of familiar folk songs arranged by Ployhar, Charrall's novel "Mother Goose Jumps," and Skornick's "Loyalty March."

## High School Band Pupils In State Judging Saturday

Quad-City high school musicians will participate in state judging Saturday at the high school in district instrumental solo and ensemble competition April 15 at Altos.

The four soloists and six ensembles from this area will include two soloists and five ensembles from Granite City high school, competing at Carlinville, a Madison high school soloist, who will play at Carlinville, and a soloist and an ensemble from Venice high school, entered at Jacksonville.

Granite City high school musicians earning superior marks were Janice Cardner, flute; Guy Lahr, cornet; Lahr, Ted Schaefer and Kenneth Wille, cornet trio; Miss Cardner, Nancy Dunscomb and Leslie Kolesa, flute trio; Donna Scher, Elaine Lux, Barbara Newhouse and Walter Kolesa, mixed clarinet quartet; Carol Grizzard, Donna Cox, Larry Whitsett and Diana Ferguson, E-flat clarinet quartet; and Joan Schumacher, Patricia Reed, Karen Dannenberg and Donna Shandy, saxophone quartet.

LaVonda Barham, Madison high oboe soloist, was rated superior, as were Joyce Daniels, Venice high baton twirler, and a Venice B-flat clarinet quartet, Betty Jo Turner, Marjorie Fritzsche, Theresa Bauer and Phyllis Hawkins.

## Wm. Patton Jr. Graduates At Petty Officer School

William L. Patton Jr., apprentice petty officer second class, USN, son of Mr. and Mrs. William L. Patton sr., of 3510 Terrace lane, will be graduated this week from nine weeks of Requisite Training at the Naval Training Center, San Diego, Calif.

The Madison grade school band will advance as a unit to state competition the following Saturday, May 13, in Mount Vernon.

Apprentice petty officers are chosen from the ranks of the seaman recruits to assist company commanders. The selection is based on individual aptitude and leadership qualities.

## Warrior Jayvees Rally For 8-5 Win

Granite City's junior varsity baseballers rallied with five runs in the fifth inning and held on for an 8-5 decision over Edwardsville Tuesday afternoon on the losers' diamond.

Bill Lierman, who relieved Perry Taylor in the fourth after the hosts had scored twice to take the lead and were threatening to add more, got credit for the win. Don "Duke" Brumleve's squad collected 10 hits, with Jim Cavanaugh and Glen Hoffman accounting for two each.

The Junior Warriors, now 2-1 on the season, will play their final regularly scheduled game at 11 a.m. on May 13 in Cahokia.

## Schlitz Blanks Kas For Rolloff Trophy

Schlitz Beer blanked first-half winner Kas Potato Chips 5-0 Tuesday night to win the rolloff trophy in the Independent Handicap bowling league at Bowland lanes. Schlitz was the second-half champion with a record of 38-13.

Trophies also were awarded to individuals who had high marks during the regular season. Robert Luckert hit a 266 single and Denny Hunnicutt a 169 series, and Harold Meford's 169 average was tops in the league.

Vacation trips always cost more than the first estimate.

## SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

"Money, money, everywhere, and still the state did sink."

The original version was about water, but right now money represents the big problem in Illinois, and how to raise it. It is a matter of disagreement.

Gov. Kerner's message calling for a record state budget of more than three billion dollars was not pleasant news for the citizens of the state, nor for the

members of the Legislature who must act on it.

Our mushrooming grade school and high school population alone accounts for an increase of 100 million dollars in the budget without any increase in the basic formula for the aid.

The governor's facing the financial problems head on was both courageous and right. But there are many of us who disagree with that portion of his means of raising revenue which calls for an increase in the sales tax. If the sales tax is increased for the cities, Illinois will have the highest sales tax in the United States.

This is the tax on essentials. It is a tax on a loaf of bread and a pound of hamburger.

For a retired couple living on Social Security payments totaling \$1200 for the year, it means an increase in taxation on their income of about 30%.

The sales tax is unique in that the lower the income, the higher the percent of your incomes goes for taxation. The higher your income, the less you spend on items covered by the sales tax.

If the sales tax increase is passed, Illinois will have the most regressive tax structure of any of the states.

In addition to being unfair to people with limited incomes, the sales tax works hardship on merchants of Illinois living in areas bordering on neighboring states. They must compete with lower taxes in neighboring states.

Many of us feel that other means of raising money for the state should be used rather than increase the tax on a loaf of bread. The sales tax and property tax are already too high.

Whether the sales tax increase is adopted or some other form of taxation, will be one of the big fights during the next weeks of the legislative session.

Possible alternatives to a sales tax increase include an increase in the race track tax, a tax on laundry and dry cleaning, a tax on vending machines, a gasoline tax increase earmarked for higher education, and finally — and not last in importance — some reductions in spending for certain areas of state government.

If citizens of Illinois want a voice in how their taxes are to be increased, now is the time to express themselves.

If there is no outcry against the sales tax increase, it will probably pass; but my vote will not support it.

Visit Representative Stores Carpet Mills

Two representatives of Friedman's furniture and hardware store, Fifth street and Madison avenue, flew to Greenville, Miss., Tuesday and returned that night after visiting the Mohawk carpet mills.

Robert Zellerman, Granite City, and William Vavra, Madison, who are associated with Mohawk products at Friedman's, studied details of carpet manufacture, design and durability during the trip.

## Pipeline Opening Today To Boost Supply of Gas

An immediate increase of 50 million cubic feet per day in the supply of natural gas for the metropolitan area became a reality Monday as Mississippi River Transportation Corp. opened the pipeline in ceremonies at the terminal on Columbia Bottoms road in Missouri.

Gas from the new 18-inch-diameter pipeline — built in four months — is apportioned 85% to Laclede Gas Co. and 15% to Illinois Power Co. for delivery at a terminal near Collinsville for the Illinois area served by Illinois Power.

"This volume of gas uses less than half the present capacity of our line," E. P. Kramer, president of the Transmission Corp., said, "and we have already contracted to supply another 25 million to Laclede and Illinois Power."

Our application for this 25 million additional supply was filed March 15 and is now before the Federal Power Commission for approval in time to commence deliveries in December.

Kramer said the new line will be made constantly increasing supplies of pipeline gas available to the utilities of the greater St. Louis area. "Beyond this first million, we have the 25 million per day on file, and still another 25 million under option for Laclede and Illinois Power."

"Beyond that, we are negotiating for additional supplies which can be delivered at cost, since Transmission's present capacity is approximately 150 million cubic feet per day. The original supply to the greater St. Louis area is from the Mississippi River Fuel system originating in northern Louisiana and northeast Texas."

"Our line brings an entirely new supply of gas from a different source, into St. Louis," he said, pointing out that this offers great supply flexibility and its stability. The new 18-inch line connects in Eastern Illinois with the pipeline owned by Transline Gas Co., which brings gas through its extensive gathering facilities starting at the prolific Gulf Coast gas fields in Texas and Louisiana. Transline's system extends through fields in Texas near the Mexican border, and fields along the Louisiana Gulf Coast, and runs a northerly direction through the eastern half of Illinois.

Started in January, Transline Corp. owned 40% by public stockholders. Its line brings gas from the interconnection near Johnsonville, Ill., into this area, a distance of approximately 100 miles. Contracts were let late in 1960 and would begin early in January.

The line is constructed of welded, high strength steel pipe, 18 inches in diameter except for the dual crossing of the Mississippi River north of Chain O' Rocks. Here it is split into two 12-inch segments for safety, flexibility and continuity of service.

While considerable work remains to be done along the right-of-way, and construction is progressing on the warehouse, radio and other facilities, Kramer said, the line is fully operative. Up to date, the company has spent \$5,800,000. Total cost, when completed, is estimated at approximately \$7 million.

Study Underground Storage

The route of the new pipeline takes it over the St. Jacob, Ill., oil field where development work has been carried on for the past two years looking toward the possibility of underground storage of natural gas for handling the peak heating loads in this area.

Last week, Mississippi River Transmission Corp. entered into an agreement with the newly formed Storage Corp. whereby Mississippi River Transmission will build a high-pressure gas compression facility together with injection lines to test the feasibility of such a storage. Immediately following that agreement, Mississippi River Transmission filed an application with the FPC for authority to install and operate the gas compression equipment.

With the present 50 million cubic feet a day, there will be over 18 billion cubic feet available in a one-year period. The present St. Jacob field is not expected to be able to store this volume for winter "peaking." But with the combination of the St. Jacob storage and the additional deliveries when the new pipeline can make without spending any additional money for pipeline facilities, the area will be able to supply gas for a greater number of additional heating customers.

Three Speeding Charges

Three motorists were arrested Tuesday afternoon by Granite City police on charges of speeding. Alphonse J. Mueller, 69, of 9001 Highway 111, was fined \$5 after being arrested on East 23rd street; while Wilbert W. Snider, 54, of 3117 Willow avenue, who was issued a ticket at 27th street and Madison avenue, and John Ingram, 55, of 1357 Edwardsville road, who was arrested at Nameoki road and Lincoln avenue, posted their driver's licenses as bonds.

Be a good sport, but don't let the purty by trying too hard to be the life of it.

## Country Day Ends 29-Match Coolidge Net Winning Streak

Country Day high school's Junior varsity tennis squad brought Coolidge junior high school's 29-match winning streak to an abrupt end Monday afternoon on the outdoor courts in St. Louis by blanking the Braves 5-0.

"We were simply outclassed," remarked Coolidge Coach Bob Wheilan. The Coolidge entries lost all five matches in straight sets. The results:

No. 1 singles — Spencer Burke (CD) defeated Rusty Touben (C) 6-3, 6-4.

No. 2 singles — Rusty Schapell (CD) defeated Drew Kalland (C) 6-2, 6-4.

No. 3 singles — Teddy Bear (CD) defeated Pete Kirchner (C) 6-0, 6-0.

No. 1 doubles — Jay Jensen and Bob Lancaster (CD) defeated Bob Lancaster and Wayne Hancock (C) 6-1, 6-4.

No. 2 doubles — Rich Meyer and Carl Widdell (CD) defeated Gary Walters and Steve Derossett (C) 6-3, 6-4.

The matches originally were set for yesterday afternoon.

## Nameoki Twp. To Seek State Aid In Study of Lake

State assistance to halt the emptying of septic tanks and cesspools in Long Lake will be sought by Nameoki township officials. It was announced Tuesday evening by Supervisor Harry Briggs.

The supervisor said during the Tuesday meeting of the township board his office has received a number of complaints and that he plans to call upon the state department of public health for an intensive study to determine if the lake is being polluted.

Briggs added he will get in touch with the state agency in the near future. One of the phases of the township's proposed five-point citizen participation program deals with public health, including sanitation and water pollution.

A delegation of trailer residents was in attendance at Tuesday evening's board meeting.

PUBLIC ANNOUNCEMENT

TO OUR MANY FRIENDS AND CUSTOMERS:

It is contract time in the Beer Industry. Wholesale beer drivers and others are demanding more money. And rightly so! These hard working men should be paid commensurate with their labors. We here at Na-Bor-Hood believe the working man is entitled to a decent living wage. Wholesale prices (the price we pay) doubtless will have to be raised if these men are to receive the consideration due them. WE ARE WILLING TO DO OUR PART. We will not raise package beer prices to our customers regardless of the increases to us from our wholesalers! However, Case Beer Prices must of necessity be raised a few cents per case to offset part of our increased costs. Under the new schedule of prices which go into effect Monday, May 9, popular beer — that is, Falstaff, Stag and Budweiser — will be sold by us at a retail for \$3.39 per case (14c a bottle). Our bargain priced special, Champagne Velvet \$2.49 per case (11c per bottle). Premium beer, such as Schlitz, Miller's, High Life and Budweiser will retail by us for \$3.99 per case or slightly more than 16c per bottle. These are increases of less than one cent (1c) per bottle. There will be no extra charge for cold beer.

Your continued patronage and kind acceptance of this slight increase in case beer prices will be appreciated.

**OPENING OF GAS PIPELINE** This week will help make natural gas available to almost every customer who wants it for heating. E. G. Schmitt, Illinois Power Co. area manager, has announced. This new supply of gas will combine with amounts made available through development of underground storage fields at Freeburg and Tilden, Ill., to meet the increasing consumer demand. Pictured at a valve regulating the 18-inch pipeline at a point on Route 137 near Collinsville are (left to right) Judge J. L. Simpson of the Illinois Commerce Commission; Bernays Seymour, Illinois Power manager at Hillsboro; Schmitt; and R. A. Skokney, manager of gas operations for Illinois Power. Others who gathered for the ceremony, but not shown in this view are E. P. Kramer, president of the Mississippi River Transmission Corp.; H. G. Meenen, Illinois Power vice-president; and B. L. Hantle, Illinois Power Belleville manager.

## MRS. MILLER ENTERTAINERS CLUB

Mrs. Barbara Miller entertained her social club Tuesday in her home, 3009 Sunbury avenue.

Games were enjoyed, and refreshments were served to Mesdames Isabel Mudd, Donna Troeschler, Alma White, Mary Carwitz and Virginia Ahrens.

Brownie Troop 12 of the Wilson school PTA met Tuesday with the leader, Mrs. Mary Sturdevant, and Mrs. Betty Wilkins at the school.

"Beaver buckets" were made by Patricia Ahrens, Barbara Anari, Valerie Bone, Theresa Bonovino, Mildred Lovejoy, Linda Singer, Jean Duffield, Margaret Sturdevant, Linda Wilkins, Elizabeth Settlemyer, Patricia Patrick, Sherry Jack-

son, Rose Jenner, Ruth Goheke, Sharon Astorian and Shirley Williams.

Mr. and Mrs. B. W. Ahrens, 2836 Edgewood avenue, and their children, Patricia, Michael, Nancy and Debra, spent Sunday in Florissant, Mo., visiting Mr. and Mrs. L. G. Struttman and children, Terry and Mark.

Nancy, aged four, and Michael, aged seven, children of Mr. and Mrs. B. W. Ahrens, 2836 Edgewood avenue, entered St. Elizabeth Hospital Tuesday to undergo tonsillectomies Wednesday morning.

Linda Moore, 11, daughter of Mr. and Mrs. Darrell Moore, 2828 Edgewood avenue, entered St. Elizabeth Hospital Monday to undergo a tonsillectomy on Tuesday.

## Minor Fire At Plant

A minor fire alarm at Union Starch & Refining Co. plant was answered about 10 p.m. Tuesday by firemen from the West Granite station. No damage was reported. A plant official said the fire was on the roof of the old office building and resulted when insulation had worn off a wire leading from an antenna used for piped-in music.

## Mitchell Baptist Bond 'Kickoff' Tonight

First Baptist Church of Mitchell will have Dr. Noel Taylor, of Carbondale, Illinois Baptist executive secretary, as principal speaker at its bond "kickoff" meeting at 7:30 o'clock this evening in Calvary Baptist Church, 3600 Washington avenue.

Others participating in the program will be Rev. Keith Stanford, associational moderator; Rev. W. J. Richardson, associational missionary; Rev. George Sagen of First Baptist Church and Dr. Wilbur Snider of the host church. The Mitchell church, under construction at Tennessee and English Place, is financing its new building through Broadway bonds, a plan used extensively in the Southern Baptist Convention. The church unanimously approved the building committee's plan for constructing two units of its proposed church plan with Robert Strong, church Brotherhood president, 628 East Chain of Rocks road, as general chairman of the bond selling campaign. Rev. Ralph Craycraft is pastor of the Mitchell church, which began as a mission under the auspices of Calvary Baptist Church.

## \$314,000 Venice City Expenses In 1960-61

Expenditures in the city of Venice during the 1960-61 fiscal year just ended amounted to \$314,337, with the cash balance dropping from \$110,928 to \$35,652, annual financial reports showed this week.

A breakdown of the \$314,337 shows \$30,697 for municipal retirement, \$20,279 for the public library, \$10,300 for library bonds and interest, \$10,648 for police pensions, \$30,600 for a judgment liability and \$239,410 for general accounts—police \$104,476, streets and alleys \$48,756, city hall \$11,484, city officials \$21,462, law department \$2878, sanitation and health \$3242, garbage collection \$30,005, lighting \$2529, water \$2580, insurance \$1409, printing \$237, fire department \$7635, elections \$788, sewer repair \$377 and auditing \$825.

Transfers have been made in five accounts to adjust them for the close of the year. Budget items totaled \$363,556 for an apparent \$49,619 difference, plus \$25,372 in reimbursements for a \$75,191 figure. Mayor John E. Lee has explained that this is deceptive because of such factors as tax collection losses, the actual cash balance being \$35,652.

City Comptroller Carl E. Byrnes reports an April 30 bank balance of \$40,773, with outstanding checks amounting to \$5120. Cash balance as of March 31 was \$45,535, with April expenditures exceeding receipts by \$9883, \$21,632 to \$11,749.

## \$238,304 Receipts

In a yearly listing, City Treasurer Bernard Anderson shows receipts of \$238,304 and disbursements of \$313,580, lowering the cash balance by \$75,276, from \$110,928 on May 1, 1960, to the \$35,652 amount.

The \$313,580 figure consists of the year's \$239,410 general expenses, plus \$25,489 set aside for the McKinley Bridge income account, \$313,580, lowering the cash balance by \$75,276, from \$110,928 on May 1, 1960, to the \$35,652 amount.

Of the \$238,304 receipts, city taxes accounted for \$197,535, licenses \$15,050—taverns \$8525, autos \$3246, trucks \$2945, pedicabs \$150, advertising \$100, dog licenses \$44 and poolrooms \$40—totaling \$6018, half of the

## K. Of C. Members At Grotto Dedication

Ten members of the fourth degree, Knights of Columbus Council 1958, formed a portion of the honor guard in Belleville Monday evening at dedication ceremonies for the "Our Lady of Snows" grotto.

The dedicatory was Bishop Albert Zurovoste, bishop of the Belleville diocese. Local K. of C. fourth degree holders participating were Henry Egey, Anthony Mangarino, Leo Portell, Oliver Roderick, Louis Blanic sr., Daniel McGee, Andrew Turko, William Crnkovich, Joseph Lang and Henry Kahn.

## \$75 THEFT AT LAUNDROMAT

Theft of \$77 from a barrel in the rear of the Tri-Way Laundromat, Nameok road and Clark avenue, was reported Tuesday night to Granite City police.

A co-owner, Verlin Wadlow, told the investigating officers the theft occurred between 8 and 10:30 p.m. after he had placed the money in the rear room.

Venice township road and bridge taxes in the city of Venice \$3065, miscellaneous receipts \$3580, city sales taxes \$11,773, 2½% fire insurance \$1117 and building permits \$164.

## Mrs. And Mrs. Meszaros Select Name For Son

Charles Steve is the name given by Mr. and Mrs. John Meszaros, 2828 Nameok road, to their son born April 28 at Christian Welfare Hospital in East St. Louis. The infant weighed nine pounds.

Mrs. Meszaros is the former Anna Mae Martin, daughter of Mr. and Mrs. Robert Martin, 2845 Ralph street.

## House Among Venice Permits Last Month

April building permits in Venice totaled \$12,600, including a \$12,000 home to be built by William Brown at 504 Fillmore street. The prefabricated 34x34 structure will have five rooms.

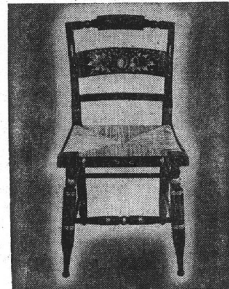

Charles Griggs was authorized to enclose a rear porch with glass at 1032 Douglas street at a cost of \$600.
